Emergency Vehicles:

B-22:

This unit is currently in service at Station 2 and fully operational.

B-21 (New Heavy):

This unit is currently out of service, hose from the tank to pump feeder line busted on a grass fire call. Currently parts are being looked for to fix. It will be an in house fix.

(Present time: It's been moved to Station 1.)

E-22-B:

This unit is currently being serviced at Siddons for repairs then will be placed on the market for sale.

E-22:

This unit is currently in service at Station 2 and fully operational.

T-21:

This unit is currently in service at Station 2 and fully operational.

M-21 (New Medic Unit):

This unit is currently in service at Station 2 and fully operational. Issues with exhaust system/ DEF system have been noted and has been worked on by Price Dodge.

M-23:

The unit is being checked weekly and is our Reserve Medic unit at Station 1.

Rescue 22:

This unit is currently in service at Station 2 and fully operational. This unit is still being utilized as a temporary Command. Mobile Radio was installed.

Personnel:

No update

Administration:

See attached Fire Chiefs progress report.

Training: *****

See attached training records PDF's.

Stations:

Currently Station 1 is not staffed. I've taken appropriate measures to maximize savings by keeping everything shut off.

Public Relations:

PR event took place at Helton Park for farmers market.
