Emergency Vehicles:

B-22:

This unit is currently in service at Station 2 and fully operational.

B-21 (Heavy):

This unit is currently out of service, the small engine and set up of the plumbing is inoperable. Quotes are being gathered to update the setup of the pump/plumbing/small engine.

(Present time: It's been moved to Station 2.)

E-22-B:

This unit is currently being serviced at Siddons for repairs then will be placed on the market for sale.

E-22:

This unit is currently at Siddons for its annual P.M. servicing.

T-22:

This unit is currently in service at Station 2 and fully operational, it just came back last week for its annual P.M. not major issues were noted.

M-21 (New Medic Unit):

This unit is currently be evaluated at Price Dodge due to mechanical issues.

M-23:

The unit is currently in service at Station 2..

Rescue 22:

This unit is currently in service at Station 2 and fully operational. This unit is still being utilized as a temporary Command.

Personnel:

See attached Fire Chiefs progress report.

Administration:

See attached Fire Chiefs progress report.

Training: *****

See attached training records PDF's.

Stations:

Currently Station 1 is not staffed. I've taken appropriate measures to maximize savings by keeping everything shut off.

Public Relations:

The month of October was a busy month with PR events. We attended a fire prevention at Floresville North Elementary, Fall fest parade for Eagle Creek, Fall fest at Helton Park, Fall Fest at Oak Hills community Church, Ground breaking ceremony at WCESD#4 Station and the ground breaking ceremony at the EOC building in Downtown Floresville.
