2027 CMIS AI Conference

Sponsorship Guide

April 16, 2027

Attendance: professionals, academics, and students

Why Sponsor the CMIS AI Conference?

- Brand Visibility: Reach decision-makers, AI leaders, researchers, and practitioners from major industries and universities.
- Talent Access: Connect with top AI talent and rising experts for recruitment, collaboration, and engagement.
- Thought Leadership: Showcase your company as a leader in practical AI solutions and responsible innovation.
- Networking: Foster relationships at practitioner-academic receptions, hands-on labs, and working sessions.
- Community Impact: Contribute to ethical AI and workforce reskilling initiatives, helping shape the future of AI practice.

We also offer custom packages tailored to your unique goals and audience engagement strategies.

Sample Custom Benefits:

- Visibility: Placement on main event banners, online platforms, and during all major sessions.
- Engagement: Host labs, lead panels, exclusive networking opportunities with speakers and attendees.
- Lead Generation: Access to opt-in attendee list for recruitment or outreach (higher levels).
- Co-Branding: Opportunities for co-hosting receptions or sponsoring tracks aligned with your interests (like Responsible AI, Workforce Development, etc.).

Additional Opportunities

- Sponsor the reception: Exclusive branding during high-traffic networking events.

Next Steps
