

YONI DETOX PEARLS

SIMPLE INSTRUCTIONS FOR YOUR RITUAL

CLEANSE • BALANCE • RENEW

BEGIN AT LEAST 3 DAYS AFTER YOUR MENSTRUAL CYCLE HAS ENDED.

DO NOT BEGIN WITHIN 7 DAYS OF YOUR EXPECTED PERIOD AND DO NOT USE DURING MENSTRUATION.

1

PREPARE

Wash your hands thoroughly. Open one pearl, unravel the string and tie a small knot close to the pearl for easy removal.

2

INSERT

Lie on your back with your knees bent. Using a clean finger, gently insert 1 pearl into the vagina, leaving the string accessible for removal.

3

LEAVE IN PLACE

Keep the pearl in place for 48–72 hours (2–3 days).

4

REMOVE & REST

Gently remove the pearl using the string. Discharge may occur. Wear a pantyliner if needed. Allow your body to release naturally. Do not attempt to remove discharge internally.

5

WAIT

Wait at least 24 hours before inserting the next pearl.

6

REPEAT

If continuing the cleanse, repeat with the second and third pearls.

**Maximum
3 pearls per
menstrual cycle.**
