DON WALKER MINISTRIES

OUR MINISTRY

Don Walker Ministries and The A.T.O. Outreach was founded in 2018 to win souls to Jesus globally while providing suicide prevention and humanitarian outreach. Headquartered in Saint Petersburg, Florida, Pastors Don and Khiedrae Walker also lead Revival Center Church.

In February of 2024, we surpassed 10,001 decisions for Jesus Christ.

Our outreaches have grown into small, open air crusades in Uganda and Kenya. Our target soul-goal is 10 million souls for the Lord.

Jesus shall be glorified!

Plan to reach 10 million souls for Jesus!

A SPECIAL THANK YOU TO ALL WHO DONATED!

With large generous financial contributors like Dr. Rodney Howard-Browne, Apostle Tony Brazelton, Reach City Church and more, we received over \$14,000 within two days before our mission trip to Uganda. We were able to pay for transportation for hundreds of people and a Youth Crusade with prizes like a T.V. and cell phones. In Kampala, Uganda we saw more than 800 people make decisions for Jesus at the altars.

In Kampala, 798 people were trained and mobilized to win souls. We had the Gospel Soul Winning Script translated into the new language of Luganda. Luganda is spoken by 5.5 million people in Uganda. Many are from unreached Bandtu tribes.

Durring 7 meetings in Uganda 26 people accepted their calling into ministry and received River University Scholarships. All applicants speak English and are currently applying for VISAs.

02

Your donations enabled us to serve 1,800 hot meals and transport over 500 students to our Youth Crusade! Some pastors and bishops travelled over 6 hours to our meetings. **Hundreds gave their lives to Jesus!**

The Nairobi mission trip was a partnership with Kenyan A.G. We also had crusades with Covenant of Faith Ministry and Church. We witnessed 190 souls come to Jesus in 5 meetings. Four notable miracles occurred, for example a pastor's wife was miraculously healed from a six-year ailment that was brought on by a local witchcraft curse. Their local church doubled from 30 church members to over 60 members, not including the little children.

Our path to revival in Uganda connects with Bishop Noah Kamanzi. Bishop Noah is known as the "Ugandan Cowboy", raising cattle and fattening them up for profits that feed over 500 orphan children. These children escaped genocide in Congo and now live in Uganda. Bishop Noah oversees Church Growth for 30,000 National Born Again Fellowship Churches in the regions surrounding Uganda. In the Spring of 2025 our crusade may host over 20,000 attendees. \$150,000 is needed for mass crusades, orphan support, and missionary travel in 2025.

We were expecting 100 pastors for a short meeting. When we arrived 400 pastors were waiting. The results... 1) a 5 1/2 hour revival meeting, 2) training in evangelism for 400 pastors 3) all church leaders agreed to return in 2025 for Mass Crusades with their congregations!

Back in America, we are hosting a revival meeting from August 16th to 25th. We also have a meal program with the Tropicana Stadium and have received approval for a Student-Suicide Prevention stadium event. To learn more visit : www.AirwaveTakeOver.com

OUR GOAL IS TO WIN 10 MILLION SOULS TO KING JESUS.

In 2022, Bishop Philip Obuya made it mandatory for all of his pastors to attend our 2 month evangelism training on the Zoom App. Evangelist Wallace and Pastor Don taught the concepts of evangelism learned at River University in Tampa, Florida. As a result, Bishop Phillip added 5,700 new converts to the Christ Greater Exploits Churches, launching 20 new churches in the Kisumu and Homa Bay regions of Kenya. We are now planning crusades and revival meetings in Kisumu and Katali with these churches. Our free 8 week course is called Global Evangelism Training. With rolling admissions, the next class begins on July 6th. These pastors are from the U.S., Pakistan, India, Kenya, Uganda, and more. Globally pastors will report their salvation numbers until we reach 10 MILLION SOULS!
