Suicide Prevention Internship
The A.T.O. Outreach
www.TheATO.org/internvolunteer

Category: Spring Internship
Location: Remote
Term: January 12th - May 1st (15 weeks)
Hours: (part-time) 12-15 hours per week

Key Areas: Mental health, suicide awareness, intervention, social work, counseling, nonprofit management, community outreach, fundraising, local event preparation.

The A.T.O. Outreach is a suicide prevention and humanitarian organization with a reputation for excellence in planning suicide prevention activities and humanitarian outreach projects in areas hard hit by suicides.

Interns interested in applying for the summer Spring/Summer 2026 Suicide Prevention Internship must have a passion for research and believe in equitable access to mental health resources. The individual should possess or be able to gain knowledge of appropriate resources based on an individual's needs, barriers to access, and preferences and be willing to generate working relationships with government, businesses, community organizations, and donors. This is a non-clinical, supervised role suitable for young professionals and both undergraduate and graduate students.

Primary Duties and Responsibilities

- Research and vet local, national, and virtual mental health resources
- Develop referral pathways (e.g., self-help → peer support → therapy → crisis services) and assist in decision-making frameworks
- Collaborate with staff and fellow interns to develop intake and non-clinical triage processes
- Build and maintain a resource database

Benefit

- Professional Development: Gain applicable experience in mental health resource navigation
- Make Connections: Network with local government and mental health professionals
- Mentorship: Receive real-time career coaching and a formal letter of recommendation upon completion.
- College Credit: We are committed to ensuring this role meets all university requirements for academic credit.

Essential Qualifications

- Passion for the organization's mission and interest in mental health access, advocacy, and community support
- Proficient in Microsoft Office and strong research, writing, and organizational skills.
