

Letter from the Principal

Dear Parents'/ Guardians',

Hope this letter finds you in sound health.

With the warmest New Year Greetings to all the Aturkimian Parents'/ Guardians' and well wisher of the Academy who had encourage and solely supported for the upliftment of the school in various aspects. In regards of them I also deeply indebted to all the Founders and Advisory Members of the School. We have incorporated some of their valuable suggestions in the best interest of the School and all concerned.

As time never stand still. With the passage of days, weeks, months and years, the situation in all walks of life undergoes a change with a new dimension. I feel it imperative to highlight you of our academic and co-curricular activities, plan and progress for the coming session.

PLAN AND PROGRESS FOR THE COMING SESSION:

- 1) Number of Laboratory Equipment will be increased.*
- 2) More number of books will be added in the library.*
- 3) Health checkup programme will be done twice in a year(Hosteller).*
- 4) Number of Computer will be increased.*
- 5) Facility of School bus will be provided if necessary.*

We would like to assure every Parents'/ Guardians that your wards/ Sons/ Daughters welfare and all round development is a paramount importance to us. Every effort is made to groom your child at the right path and in the right spirit with regard to academic as well as co-curricular activities.
