

GS CORPORATE FINANCE
PROPERTY & BUSINESS FUNDING

Capital Solutions. Commercial Focus.

Connecting businesses, property developers and project sponsors with potential funding sources.

OUR SERVICES

We provide tailored finance solutions and strategic advice, helping you access the right funding, at the right time, from the right sources.

Property Finance

Bridging, commercial mortgages, buy-to-let, development finance and refinancing.

Business Funding

Working capital, growth finance, asset finance and business lending solutions.

Private Credit

Senior debt, mezzanine finance, structured finance and alternative lending solutions.

Structured Finance

Tailored funding structures for complex projects, including bespoke and cross-border solutions.

WHO WE WORK WITH

Borrowers

We support businesses, property developers, and project sponsors with complex financing requirements, helping to structure and present opportunities to a wide range of lenders and investors.

Lenders & Investors

We help institutional and private lenders, investors and family offices source high-quality, risk-assessed opportunities across a range of sectors and asset classes.

WHY CHOOSE GS CORPORATE FINANCE

- ✓ Deep industry knowledge and experience in corporate and property finance
- ✓ Access to a broad network of lenders and investors
- ✓ A consultative, solutions-focused approach
- ✓ Independent, impartial and transparent advice
- ✓ Discretion and professionalism at every stage

OUR APPROACH

We take the time to understand your objectives, assess the options and provide clear, practical advice — helping you move forward with confidence.
