

DIY Van Build

Supplies Checklist

Adhesives & Sealants

- ☐ Construction adhesive (ex: 3M 90)
- ☐ Caulk (for seams and penetrations)

Sanding & Surface Prep

- ☐ Sandpaper — various grits

Safety Gear

- ☐ Work gloves
- ☐ Safety goggles or glasses
- ☐ Hearing protection (recommended)

Tapes

- ☐ Electrical tape
- ☐ Duct or Gorilla tape
- ☐ Plumber's tape (Teflon)
- ☐ Painter's tape

Cutting Consumables

- ☐ Metal cutoff wheels (plan 5–10 per window cut)
- ☐ Metal jigsaw blades
- ☐ Circular saw blades (wood / finish blades)

There are many, many more things you will need! Many items will be specific to the job at hand. This list is intended only as “starter list” to get your juices flowing and so your basic needs covered. With the “tools list”, it should be enough for you to begin your build!
