**Q: What is the right description of category to specify in the application form?**

**A:** The driving category must be the same of your regular driver license in country.

**Q: What are the benefits of having this document?**

**A:** ITAC International Driver Document is intended to overcome the difficulties you might have while driving a vehicle in another country that may have a different language than your own. The United Nations established an International Document to facilitate the travel of motorists in foreign countries where language barriers create difficulties for both motorists and the police. This document establishes the right for a person to drive in another country when accompanied by an original and valid driver's license. Another big advantage of ITAC Document is there is no test is required because it is a translation of your original driver's ***license, printed in 9 languages: English, French, Spanish, Portuguese, Russian, German, Arabic, Japanese and Chinese.***

**Q: Can you ship the ITAC license to PO BOX addresses?**

**A:** Yes we can ship your ITAC license with USPS, which is not the case with FedEx/ DHL Int'l Express

**Q: Can the shipping estimate time vary?**

**A:** Yes. According to certain restrictions imposed by the American customs regarding some countries in Africa, Middle East and Asia, in some cases, the international license could take a little longer to arrive.

**Q: Will my full name appear on my ITAC International license?**

**A:** The name that will appear on your international license will be the exact full name that is shown on your national valid license. Our document is an accurate translation of your license in 9 languages.

**Q: What happens if a USPS package is lost?**

**A:** ITAC License relinquishes all responsibilities for delays, lost, stolen or damaged documents of USPS deliveries. We highly recommend **FEDEX/ UPS/USPS** for more thorough and effective service.
