Tom DeSchane sent in new photos of a truck with a tree growing in it near Rice Lake WI. The 1942 Dodge truck with the large tree (behind the drivers seat) is a local landmark. A short article about this appeared in the July, 2021 Running Board.

Editor's Note

It's very hot here in Naples-Marco Island and the rainy season has begun. Hopefully your AC is working well if you've remained in Florida. Some reports say you need it up North as well!

It is pretty quiet, as expected, for this time of year. We do have one club event this month (June 11 Luncheon). The June 18 show at Stone Creek has been cancelled. Also, remember, there will be no more regularly scheduled club meetings until the fall. Details of the June luncheon are in Yvonne's letter and on the Events page.

This month's issue is shorter than usual. There are the regular items (History, Minutes, Legislative). Malcolm Newbourn sent in photos from the April 30 Revs Cars and Coffee. There are some Cruise-In photos as well. The Classified page is actually full this month. There are currently three cars for sale. Keep the ads coming as we can always make more room or add pages. We could also certainly use more articles, comments, pictures, etc. for future issues.

Note, that you may sometimes see a reference to past Running Board issues (twice this month). If you don't have a particular issue, contact me and I'll send you one. The web site will be updated shortly and hopefully that will be an easily accessible storehouse of past issues.

Send future articles, comments, pictures, ads, etc. to ron.schlechtweg@gmail.com.. Cut-off date is the last Thursday of each month for the next issue.

Enjoy the summer, take care, and be safe....
Ron

Not to brag, but I can forget what I am doing while I am doing it.

My favorite part of cooking dinner is when the delivery guy shows up.

Am I the only one who calls people back, lets it ring twice, and hang up so it looked like I tried?

Sorry I'm late, traffic is exactly how it's been every day for the past 5 years and I was not expecting that.

Respect people who wear glasses. They paid money to see you.

History, June 2022

The March, 1998, issue of the Running Board tells about the members traveling to Bob O'Hara's garage in Golden Gates Estates. It was February 7, a cloudy day with a threat of rain, but 55 members made the trip. It was a fascinating garage and the group enjoyed a good lunch. The article also thanked the members who helped Bob get the place ready for their arrival. Bob's garage always has many things of interest to see—from an ever changing stable of cars that he is working on, to his great tool and machinery collection. He also had a "guard goose" protecting the garage. The club took their chuck wagon and members brought food for a delicious potluck lunch.

The same day as the trip to Bob O'Hara's, four members displayed their cars at the airport for the Civil Air Patrol's Aviation Day. The article states the C. A. P. was appreciative of the cars as it was on very short notice and it was raining in Naples.

For Sale. 1956 Ford Thunderbird slowly restored over a 25 year period. I am no longer showing my cars. This car is ready for an AACA Junior and Senior Award before you make it into a pleasure car for driving. I do all my own work except for the \$20,000.00 paint job! Please leave a message or stop at 4585 progress Ave. unit 1-3 to see the car. Roger Donald cell 508-737-8083.

For Sale. 1965 Triumph TR4. I purchased this car in late 2020. The actual mileage is unknown (odometer broke at 89K). Recent improvements include a new interior (dash, carpet, door panels), fuel pump, tires, radio, battery, floors, and inner sills. The car starts and runs well with good compression. It exhibits the typical British car oil leaks. Contact Ron Schlechtweg if interested. 239-571-5146

For Sale. Not an antique yet, but where can you buy a sound 2007 Mercedes E350 at this price? I have too many cars! Just broken in at 145,600 miles, she looks and runs great. Asking a reasonable \$6500. Call 239-6315848 if interested. Rudy Socey
