## PRESIDENT'S MESSAGE

*Craig Woltering*

Dear Residents,

Spring is here and April is shaping up to be a wonderful month at Hacienda Village!

As the weather warms up, we're seeing more neighbors out enjoying our beautiful community.

Our **heated swimming pool** is open and ready for you to enjoy.

Whether you're swimming laps or just relaxing poolside, please remember to follow posted rules to keep the area clean and safe for everyone.

Don't forget about our fun outdoor amenities! Gather some friends for a game of **cornhole** or enjoy a friendly match on the shuffleboard courts.

We're pleased to share that the shuffleboards have been resurfaced the courts look great and are ready for everyone to enjoy! Thank you for your patience during the improvement process.

These activities are a great way to stay active and connect with your neighbors.

### **Community Reminder**

Please be mindful of parking regulations.

Help keep our grounds clean and dispose of trash properly.

If you see something that needs attention, contact the office.

Don't forget about our **BINGO** on Thursday nights. Karaoke on Friday nights bring your favorite drink and a song enjoy a great evening together.

## BOOK CLUB

*Linda Beck*

We meet every second Tuesday of the month in the library at the large clubhouse. We have lively discussions as well as sharing life experiences and lots of laughter.

We are reading Personal Librarian by Marie Benedict.

*A remarkable novel about J. P. Morgan's personal librarian, Belle da Costa Greene, the Black American woman who was forced to hide her true identity and pass as white in order to leave a lasting legacy that enriched our nation, from New York Times bestselling authors Marie Benedict and Victoria Christopher Murray.*

*In her twenties, Belle da Costa Greene is hired by J. P. Morgan to curate a collection of rare manuscripts, books, and artwork for his newly built Pierpont Morgan Library. Belle becomes a fixture in New York City society and one of the most powerful people in the art and book world, known for her impeccable taste and shrewd negotiating for critical works as she helps create a world-class collection.*

*But Belle has a secret, one she must protect at all costs. She was born not Belle da Costa Greene but Belle Marion Greener. She is the daughter of Richard Greener, the first Black graduate of Harvard and a well-known advocate for equality. Belle's complexion isn't dark because of her alleged Portuguese heritage that lets her pass as white—her complexion is dark because she is African American.*

*The Personal Librarian tells the story of an extraordinary woman, famous for her intellect, style, and wit, and shares the lengths she must go to—for the protection of her family and her legacy—to preserve her carefully crafted white identity in the racist world in which she lives.*

**From the bestselling author of *Hotel on the Corner of Bitter and Sweet* comes a powerful novel, inspired by a true story, about a boy whose life is transformed at Seattle's epic 1909 World's Fair. "An evocative, heartfelt, beautifully crafted story that shines a light on a fascinating, tragic bit of forgotten history."—Kristin Hannah, author of *The Nightingale***

Please come and join us on April 14 at 1:00. Books are furnished by the Pasco County Libraries.
