SOMETHING FROM SUE!  
Top of the morning to you all!  
Yes, March has the luck of the Irish and we have our St. Patrick’s Dinner on March 15th.  
But before you get your green on, we will have our Breakfast in the Village on March 1st.  
Back by popular demand is our Spring Craft Show Saturday March 22nd. Contact Linda Beck for table availability - call early, filling fast. We also have another favorite event which is our Community Yard Sale happening March 29th. Contact Joann Slaughter for participation information. Don’t forget our Village Market, every Monday, free to all residents.  
Notes to all Residents: Please make sure you have contacted Kaiti in the Front Office to make confirm they have your correct phone and Lot # for your visitors and delivery people. This will allow them to access the Community through the visitor's keypad. Instruction sheets are available in the Clubhouse or best option is with Kaiti. Also, please make sure to include the note saying that access into HV is only through the front gate, Rowan Entrance.  
Please make sure you contact Joann Slaughter or mefor times and availability of new Clubhouse

usage. We are doing a great job of sharing times, but only if we are courteous to all users.  
A new mailbox will be installed in March to replace the one broken. Yay!  
Please consider becoming a part of our Volunteer Army! Several committees are looking for help. Our Welcome Wagon Chairwoman and Membership Committee Chairwoman have been out in the Community sharing information and welcoming neighbors. We would like to invite our new residents to come and check out our events and our HOA General Meeting on March 17th. Come find out about HV happenings.  
We look forward to seeing our new and old HOA members!  
So excited to see you all! Have a fabulous March – talk to you soon!

We will be reading A White Wind Blew by James Market. This is a fictional account of the tuberculosis epidemic in Louisville, Kentucky.

***When the body fails, you've got two choices. Send the doctor in, or send a prayer up. But when no miracle arrives, how do you pull out a measure of hope?***

***Dr. Wolfgang Pike would love nothing more than to finish the requiem he's composing for his late wife, but the ending seems as hopeless as the patients dying a hundred yards away at the Waverly Hills Tuberculosis sanatorium. If he can't ease his own pain with music, he tries to ease theirs — but his boss thinks music is a waste, and in 1920s Louisville, the specter of racial tensions looms over everything. When a retired concert pianist arrives, Wolfgang is thrust into an orchestra of the most extraordinary kind that emerges to change everything.***

We meet every second Tuesday in the large clubhouse at 1:00. We invite you to join us for a lively discussion.
