PRESIDENT'S MESSAGE

Craig Woltering

Dear Hacienda Village Residents,

Happy October! I hope everyone is soaking up the Florida sunshine and enjoying all the fun this month has to offer.

A friendly parking reminder: the Biscaya parking area is reserved strictly for residents' guests, so resident parking is not permitted there. Guests must obtain a parking pass from the office. Keeping Hacienda Village safe is a team effort, so if something does not seem right, remember the "See, Hear, Smell" test:

See: Keep an eye out for anything unusual.

Hear: Listen for unusual sounds or noises.

Smell: Take note of any unusual or unpleasant odors.

If you encounter an emergency, please call 911 right away.

To stay in the loop with robocalls, please register your phone number with the office and save the robocall number—(405) 548-2251—in your contacts. Missed a call? No problem! Simply dial the number back to hear the message.

Have a question? The office is happy to help! Call (727) 847-1409 or 1 (888) 495-3070.

Get ready for some frightfully fun Halloween festivities! On Wednesday, October 28, join the Halloween Golf Cart Parade and Poker Run. Decorate your golf cart, add your favorite spooky touches, and show off your creation to the neighborhood. Then, on Saturday, October 31, put on your dancing shoes and your most ghoulish attire for the Halloween dance from 7 p.m. to 10 p.m.

Here's to a safe, sunny, and spooktacular October!

Stay safe and have fun,
 Craig Woltering

BE SEEN WHEN **SECONDS COUNT**

Let your address shine! In an emergency, every second matters, so please make sure your house and lot numbers are large, clear, well lit, and easy for first responders to spot from the street. A little visibility can make a big difference—thank you for helping them find you quickly!

VETERANS

Honoring our heroes—and the neighbors who stand beside them—brings our community together.

Hacienda Village residents recently gathered to recognize our first responders and remember those we lost during the 25th anniversary observance of September 11, 2001. The event concluded with the placement of candles at Veterans Park. Thank you to everyone who joined us for this meaningful tribute!

We are also preparing for our Veterans Day celebration on Wednesday, November 11, 2026, at 11:00 a.m. **All residents** are warmly invited to join us as we honor our veterans. A luncheon will follow

the ceremony and is complimentary for veterans, first responders, and their significant others. Other residents who would like to stay for lunch may purchase a ticket for \$5 per person. **To help us plan an accurate head count, everyone attending the luncheon will need a ticket.** Tickets will be available from October 19 through November 9 at the Village Market, Bingo, and Karaoke, or from Doug Halley at (734) 365-2516 and John Gabrielson at (630) 335-6248.

No ticket is needed if you plan to attend the ceremony only.

Flags will be placed on November 10 and collected on November 12, and volunteers are needed to help. Please contact Doug Halley for more information or to lend a hand.

ROBOCALLS

Stay in the loop! When there's important news Hacienda Village residents need to know, the office sends out a robocall to help keep everyone informed. Missed the call? No worries—just dial (405) 548-2251 to hear the latest message. And if your phone number has changed, please be sure to update it with the office so you don't miss a thing!

PROTECT YOUR PETS

Protect those paws after dark! As the woods surrounding Hacienda Village are cleared, wild visitors—including coyotes and raccoons—have been roaming our streets at night. Please keep pets indoors after sunset; even a screened porch does not guarantee their safety. Coyotes may target dogs for food or territory and can be more aggressive during mating season. Small dogs are especially vulnerable because they resemble natural prey, but larger dogs may also be at risk if a coyote becomes bold or desperate. Raccoons do not typically prey on cats, but they may attack if provoked or when a small cat, food, or territory is involved. Stay watchful, care for pets responsibly, and remove outdoor food or other attractants—**a few simple precautions can help every furry neighbor stay safe and sound.**

PRESS 9—ENTRY TIME!

Make weekend deliveries and guest arrivals a breeze! Please direct delivery drivers and visitors to the Rowan Road entrance. At the call box, they should enter your three-digit lot number—for example, lot 28 should be entered as 028. The system will then call the telephone number on file for your lot, so please make sure the office has your current number. When you answer, press 9 on your phone's keypad and hang up; the gate will open for your guest or delivery driver. If you have any questions, please contact the office—and help every arrival start with a smooth welcome!

BOO-TIFULLY FUN HALLOWEEN FACTS TO HAUNT YOUR OCTOBER

October has a special kind of magic. The air feels a little crisp, the decorations get delightfully dramatic, and suddenly every porch has a pumpkin, a skeleton, or a ghost with excellent curb appeal. Since Halloween is one of my favorite holidays to decorate for, I gathered some of the most curious, creepy, and candy-coated facts behind the season.

From Samhain to Spooky Season

Halloween traces its roots to the ancient Celtic festival of Samhain, which marked the end of the harvest season and the beginning of winter. Over time, Samhain traditions blended with Christian observances including All Saints' Day on November 1. That is where the name All Hallows' Eve came from, eventually becoming the Halloween we know today.

The Strange Tale of the Jack-o'-Lantern

Before pumpkins became the glowing faces of Halloween in the United States, people carved jack-o'-lanterns from turnips. The name comes from an Irish folktale about Stingy Jack, a trickster who fooled the devil and was doomed to wander the earth with only a lantern to light his way. In America, the tradition got a major upgrade: pumpkins were larger, brighter, and much easier to carve.

Candy, Doorbells, & Delicious Traditions

The first known mention of "trick-or-treating" in print in North America appeared in 1927 in Blackie, Alberta, Canada. These days, Halloween is also National Doorbell Day—very fitting for the one night of the year when doorbells get the most excited workout.

Candy corn also has a farm-fresh backstory: it was originally called "chicken feed" when it was first created in the 1880s. Milk Duds got their name because the maker hoped to create perfectly round candies, but the results were—well—duds.

Frightfully Fun Trivia

Halloween has plenty of pop culture surprises. Michael Myers' mask in the original *Halloween* movie began as a William Shatner mask that was spray-painted white. And Harry Houdini, one of the most famous magicians in history, died on Halloween, which feels almost too perfectly spooky to be true.

There is even a name for the fear of Halloween: samhainophobia. For thrill-seekers, one legendary destination is the Lewisburg Haunted Cave in Ohio, a real limestone cave about 80 feet underground that has been recognized as the world's longest walk-through haunted attraction at roughly 3,563 feet.

Pumpkin lovers have their own bragging rights, too. Illinois is known for its pumpkins, and horticultural teacher Travis Gienger grew a record-setting pumpkin weighing 2,749 pounds. That is not a jack-o'-lantern—that is a porch roommate.

A Sweet Ending

Americans buy an enormous amount of candy for Halloween—about 600 million pounds each year—and Reese's Peanut Butter Cups are often ranked as a favorite, followed by classics like Snickers, M&M's, Kit Kats, and candy corn. Younger candy fans tend to favor Kit Kats and Twix, while older candy lovers often lean toward Snickers or candy corn.

For spectacle, it is hard to beat the New York City Halloween Parade, one of the largest Halloween celebrations in the United States, with tens of thousands of participants and huge crowds of spectators. Whether you prefer homemade costumes, haunted houses, caramel apples, candy corn, or simply admiring the neighborhood decorations, Halloween proves that a little history can be just as fun as a good scare.

BOXES OF BLESSINGS

Together, we can make Thanksgiving a little brighter for neighbors in need! With your generous help, we hope to fill twenty boxes for homebound families this year. The names of all recipients will remain confidential. Donations may be dropped off at 6045 Oviedo Avenue, and if you are unable to stop by, we will be happy to arrange a pickup. Please contact Lana Tooley at 518-788-6108. The need is greater this year, and every contribution will help bring comfort, care, and holiday cheer to a local family. A heartfelt thank-you to Lana Tooley and Cindy Neithardt for generously lending a hand with handling the boxes. Thank you for sharing the spirit of Thanksgiving!
