PRESIDENT’S MESSAGE
FOR JUNE

Hello Hacienda Residents,
I am very excited with our pool coming together! It’s going to look great, and it will be safer for all of us.

Our breakfast brunch in May was great, and everyone seemed to like the new time. I want to thank our entertainment committee and all the people who volunteered to help distribute the phone directories.

We will be having functions during the summer months so stay tuned for them, DJ Joe night, a Veterans pool party, an HOA pool party and many other things, so watch the calendar and Hacienda Mob FB page, so you don’t miss out!

Please keep an eye on your neighbors as the temperatures are going up and hurricane season is starting soon. Unity in the community is what it’s all

about! We have some of the nicest people here and I see it happening.

I also want to thank everyone for checking on me during my surgery, it warms my heart knowing you all care. My surgery was a complete success. I am thankful and blessed for this and couldn’t have gone through this without my sister.

Looking forward to seeing you all at our next Community Gathering, on Monday, June 10th at 6:30 pm. We had requests to offer an evening gathering and so we will try that out in June. Please know everyone is invited!

Your President Maureen

A MESSAGE FROM THE FRONT OFFICE –

Dear Residents of Hacienda Village,
Thank you for choosing Hacienda Village as your home. Your satisfaction with the community is important to us, and we are always looking for ways to improve your experience. We're thrilled to announce that the pool renovation project is complete. I hope you all enjoy the new look. Also, I would like you to know that we are working diligently to replace the front gates as soon as possible.

As June arrives in Florida, we are all too aware that it marks the beginning of the hurricane season. With the potential for severe weather on the horizon, it's essential to ensure that we are prepared and vigilant in protecting ourselves, our families, and our community.

Hurricanes can bring about significant challenges, but with proper preparation, you can do your part in advance to help mitigate their impact. Now is the time to review your emergency plans, stock up on essential supplies, and secure your property against potential damage.

As we enjoy the beauty of our community, it's essential to remain mindful of the delicate balance between its beauty and the inherent challenges posed by our geographical location. As we are nestled in a low-lying area, we are inherently susceptible to elevated water levels during storms and heavy rainfall.

In the aftermath of a natural event, it's crucial that we collectively recognize the importance of safeguarding our homes and surroundings. While we cherish the appeal of outdoor storage, lawn ornaments, and other items, it's imperative to exercise caution during inclement weather. These objects, prone to displacement, can become hazardous projectiles during heavy storms, tropical storms and hurricanes, posing risks to both property and safety.

We urge you to join us in taking proactive measures to protect our community. Please ensure that you relocate outdoor belongings indoors before impending storms, ensuring the safety of both your property and those around you.

As we go through our rainy and stormy season, we encourage everyone to stay informed by monitoring weather updates from reliable sources and following any advisories or evacuation orders issued by local authorities. Additionally, please take the time to check in on your neighbors, particularly those who may need assistance in preparing for the season ahead.

At Hacienda Village we value each member of our community and understand that unforeseen events like storms can often leave a trail of damage in their wake. That's why we're proud to offer our Consider Others program, designed to provide assistance to those in need during difficult times. As a valued part of our community, we want you to know that you're not alone. Our Consider Others program has been instrumental in helping many of your neighbors recover from storm-related damage in the past. Additionally, for those requiring assistance in the aftermath of a hurricane, FEMA stands ready to support our community's recovery efforts.

If you or someone you know has been affected by the recent storm, please don't hesitate to reach out to us. Our dedicated team is here to listen, assess your needs, and help you to find the assistance you require to overcome this challenging situation. By working together and remaining proactive, we can navigate this hurricane season with resilience and ensure the safety and well-being of our community.

Here are a few reminders:

- We would like to remind you that any change in homeownership within our community requires approval by the office before ownership transfer is made. This would include an approved resident residing in one home and moving to another home.
- Parking on the grass is prohibited.
- Overnight parking on the streets is prohibited.
- Feeding wildlife is prohibited.

HV BOOK CLUB FOR JUNE:

The Hacienda Book Club meets every second Tuesday at 1:00 In the large clubhouse library. The books are furnished by the Pasco County Public Libraries.

One of our members requested that we read a classic. This month we are going to read John Steinbeck's The Moon is Down.

Occupied by enemy troops, a small, peaceable town comes face-to-face with evil imposed from the outside—and betrayal born within the close-knit community

In this masterful tale set in Norway during World War II, Steinbeck explores the effects of invasion on both the conquered and the conquerors. As he delves into the emotions of the German commander and the Norwegian traitor, and depicts the spirited patriotism of the Norwegian underground, Steinbeck uncovers profound, often unsettling truths about war—and about human nature.

Please join us for a lively discussion on Tuesday, **June 11**.

HELLO MY FURRY FRIENDS,

I wanted to ask a favor of you all. Could you please ask your humans to be kind and considerate of the other masters, and clean up our messes, especially in the park by the pond? I have heard our masters talking and sharing how they have to pick up other dog messes and they have even stepped in them. It only takes a moment, and we have such a nice park. If they can work together, everyone can be happy. Woof, woof!

A MESSAGE FROM OUR VETERANS COMMITTEE

THE FALLEN SOLDIER TABLE

Each item on the Missing Man Table represents the emotions and feelings reserved for those who did not come home. The ceremony symbolizes that they are with us, here in spirit.

All Americans should never forget the brave men and women who answered our nation's call to serve and fought for our freedom with honor.

THE SYMBOLISM OF THE MISSING MAN TABLE

The table is round, to show our everlasting concern for our missing men.

The cloth is white, symbolizing the purity of their motives when answering the call to serve.

The single red rose; displayed in a vase, reminds us of the lives of these Americans and their loved ones and friends who keep the faith while seeking answers.

The red ribbon symbolizes our continued determination to account for our missing.

A slice of lemon reminds us of their bitter fate; captured and missing in a foreign land.

A pinch of salt symbolizes the tears of our missing and their families who long for answers after decades of uncertainty.

The lighted candle reflects our hope for their return, alive or dead.

The Bible represents the strength gained through faith to sustain us and those lost from our country, founded as one nation under God.

The glass is inverted, symbolizing their inability to share a toast.

The chair is empty, the seat that remains unclaimed at the table.

We remember the many brave men and women who have given their lives through the history of our country and to protect us from harm. We remember all of those who sustained injury in mind and/or body in the course of their service. We salute you! "

Anyone that has a worn or damaged Flag can drop it off at Rick's or Doug's and we will take it to the proper facility that destroys them in the proper manner. Please do not let a worn or torn Flag hang.

You can also drop it off at Ace Hardware, American Legion, VFW, etc. For more information or questions please contact: **Rick Boivin – 727-457-9856 or Doug Halley 734-365-2516**
