

1. Participation and Eligibility

A. KBF Membership

i To participate in TCKA events, each Competitor must be an active KBF Member (of at least Ambassador Level) by 11:59 p.m. on the day before start-of-competition. These include but are not limited to TCKA Challenges and Championships. Non-members who register and compete in TCKA Member-only Events are not eligible for prizes, ranking, and rewards.

B. Professional Fishing Guides may register and compete in Events providing they are not guiding any other competitors at the time of event. Competitors may not use a Professional Guide Service during competition

C. Event Registration — All TCKA Competitions are conducted using a Tournament Management System (“TMS”). Each angler who wishes to participate in such an Event must create a TMS user account before the first day of competition and must sign up for the Event and pay the entry fee on the TMS or through the TCKA or KBF online store.

D. Entry Fees — Entry Fee amounts, administrative surcharges, registration deadlines, late fee exceptions, and refund or transfer restrictions are specified in the TCKA Event Rules Addendum for each Competition.

No Satisfaction Guarantee — Competitor understands and agrees that payment for the Event does not secure a guarantee or promise of satisfaction.

Competitor’s failure or inability, for any reason except as otherwise provided herein, to participate in any or all of the activities of the Event does not relieve or suspend the Competitor’s obligation to make all payments required by TCKA Rules on a timely basis, nor entitle the Customer to a refund or credit, except as provided below.

E. Payment — Competitor agrees that once an Event Registration is submitted, the terms and conditions of the TCKA Competition Rules constitute an Agreement that is a legally binding and enforceable obligation of Competitor.

F. Competitor’s Right to Cancel — Any competitor wishing to cancel an Event Registration may do so by emailing the Tournament Director at the email address provided in the TCKA Event Rules Addendum.

Unless otherwise specified in the Event Rules Addendum, registration cancellations dated more than 15 days prior to the Event incur no administrative fee, and any registration cancellation dated 15 days or fewer before the Event shall result in an administrative fee equal to the lesser of \$25 or 25% of the Event Registration Fee.

For Challenges, if cancellation email is dated more than 1 day (24 hours) prior to the Event, no administrative fee will be charged. Any cancellation dated 1 day or less before the Event shall result in a per person administrative fee equal to 25% of the Event Registration Fee.

Once an Event has started, no cancellations will be accepted, and no refunds will be provided.

TCKA and/ or KBF are not responsible for any refunds of expenses related to travel or lodging reservations or other payments involving third parties.

G. Pre-Tournament Check-in — For live events, each Tournament Competitor is responsible for reviewing the Schedule of Events in the TCKA Event Rules Addendum for pre-event check-in times and location. Each Competitor must check in with official TCKA Competition staff at the time and place designated in the Schedules of Event for verification of eligibility, signing of waivers if required, and rules acknowledgement. Late check-in and registration process (if permitted), event-specific instructions, and Event schedule are specified in the TCKA Event Rules Addendum.

H. Captains Meeting Attendance — Tournament Competitors are required to attend an on-site Captains Meeting or view a recorded “Virtual” Captains Meeting Webcast, as stipulated in the TCKA Event Rules Addendum. Failure to either view a Virtual Captains Meeting or attend an on-site Captains Meeting results in a Competitor’s disqualification from the Event.

2. Fish Eligibility

A. Species—For “Catfish” TCKA Competitions, only “catfish” are eligible for scoring. That designation includes the three most common species (Blue Catfish, Flathead Catfish, Channel Catfish)

B. Length—The minimum length of fish scored in competition is 12 inches. Photos of fish shorter than the minimum will be denied.

C. Condition—Fish must be hooked in the mouth or jaw. It may not appear to have snagged, snatched, or hooked in the body or a fin. Fish must appear to be alive. If fish appears to be dead, mutilated, frozen, mangled, or otherwise damaged, or it appears to have been mashed, mauled, or otherwise altered, the photo will be denied.

D. Caudal (Tail) Fin—The tip of at least one lobe of the caudal (tail) fin must be in contact with the measuring board. If the entire caudal (tail) fin is lifted away from the measuring board so that the tip is no longer in contact, the photo will be denied.

E. Eye—The fish’s left eye must be visible in photo. Violation will result in denial of the photo.

3. Competition Period

A. Competition start and end dates and times are stated in the TCKA Event Rules Addendum. Any Competitor who launches (i.e., propels an occupied boat away from the shore) before the stated “Earliest Launch” time or begins fishing before the official Competition Start Time on any day of competition will be disqualified from the Event. Under no circumstance will a fish photographed outside of the official Competition Start and End times be considered for scoring.

B. Check-in — For live Tournament Competitors who have already submitted digital photos by upload to the TMS must be in the Judges’ Check-in Line at Tournament HQ by the time specified in the TCKA Event Rules Addendum. Failure to be in or through the Judges’ Check-in Line by that time will result in disqualification from the Event.

C. Early Check-in — If in a live event at a set location, Tournament Competitors who could not or did not upload their photo submissions to the TMS must report to the Judges’ Check-in Line at an “Early Check-in Time” specified in the TCKA Event Rules Addendum and turn in their digital media (i.e., memory card), camera, or camera phone with USB cable in order for judges or tournament staff to download them to a computer and then manually upload them to the TMS for subsequent evaluation and scoring.

4. Pre-fishing — Practice in Eligible Water is permitted until the time specified in the TCKA Event Rules Addendum on the day prior to Competition. If no pre-fishing deadline is stated in the Addendum, then practice may continue up until six hours prior to competition start time. There are no restrictions regarding areas, type of watercraft, or types of bait used in pre-fishing. Fishing on the event's eligible water after the specified pre-fishing deadline will result in disqualification from the Event. (Refer to Rule 6 regarding pre-fishing with a professional fishing guide.)

5. Competition Area

A. Competitive fishing is allowed only on publicly accessible waters within the geographic area designated by the TCKA Event Rules Addendum as "Eligible Water." Violation will result in disqualification from the Event.

B. Competitors may launch from any public-access shore directly onto Eligible Water or may launch and then paddle or portage to Eligible Water. Crossing restricted property to reach Eligible Water is not permitted. Tributaries, canals, sloughs or estuaries separated from the rest of eligible water by temporary obstructions (e.g., fallen trees, log jams, beaver dams) that, if removed, could be entered by floating/paddling are considered eligible waters in which competition is permitted, and competitors are permitted to drag or portage watercraft over or around such obstructions. Those separated by obstructions of a permanent nature (e.g., levees, earthen or concrete dams, berms, roadbeds, spillways, waterfalls) are ineligible water, and competition in such areas is prohibited. Violation will result in disqualification from the Event.

C. Competitors are not restricted to fishing where they start out each day but are permitted to relocate to other Eligible Water during tournament hours.

D. Watercraft must not be anchored in such a position as to prevent or block access for other watercraft or powerboats. Violation will result in disqualification from the Event.

E. Wade fishing is permitted provided the Competitor uses his watercraft to access the fishing location. Fish caught while wading or walking the shoreline ARE eligible for submission; however, each Competitor must be within sight of his watercraft while fishing, and the watercraft must appear in every fish photo submitted. Competitors may depart the watercraft to catch and land fish. If a Competitor must go out of sight of his watercraft for any reason (e.g., for a restroom break or to contact a tournament official by phone or other means, or to report an emergency), he must cease fishing until he returns to his watercraft, at which time he may resume fishing. Violation will result in disqualification from the Event. ***AMMENDMENT: If the kayak can not be in the picture then video evidence must be documented that the kayak was used and/or terrain did not permit it.**

6. Cooperation and Assistance

A. Up until the end of the established pre-fishing period, competitors may fish with and receive direct assistance from other anglers and professional guides on the Eligible Water, except as restricted in Rule 6-B below.

B. Within 15 days prior to the Event, a Competitor may not fish on Eligible Water with, nor receive expert advice from, a professional fishing guide who receives payment for those services. Violation will result in Competitor's disqualification from the Event.

C. Before and during the event, competitors may (i.) share gear, tackle and equipment, (ii.) assist in photographing a fish for submission, and (iii.) communicate with and fish in proximity to other people, including other Competitors (except Professional Fishing Guides, as stipulated in Rule 6.B., above); however, then may not receive assistance in catching fish, including boat positioning, casting, retrieving, hooking, playing, or landing a fish. Violation will result in Competitor's disqualification from the Event.

7. Fishing Tackle, Equipment, and Methods

A. All fish must be caught live, the Competitor using only equipment and legal methods that comply with all sportfishing statutes and regulations of the states and body of water in which they are taken. Competitors are responsible for research of and compliance with all applicable fishing and boating regulations. Snatching or snagging fish is not permitted. Violation will result in disqualification from the Event.

B. All fish must be caught on rod, reel, line and hook only. A second hook may be on the same line, providing it is in the same piece of bait as the first hook. No traps, snares, set lines or other methods of fishing other than rod, reel and line are permissible, even if legal under state game laws. Violation will result in disqualification from the Event.

C. Acceptable measuring boards include the Hawg Trough (if the fish is 30" or less) manufactured by Hagen's (pictured below), a FishStik Version 2 (with Bump Board Arrows and Lock Slide if the fish is 36" or less), Rapala 60" Mag folding board (Be careful to review pics before submission, these boards can be hard for judges to read), Tyrant Roll Away Bump Board (Top of this board must be visible in pics, to show there is no folding of the board), Danielson 60" Anodized Aluminum board, Muskey Bumper (Left Handed version) and the Ketch Co Measuring Board (providing the particular board is as long or longer than fish being measured). Measuring boards may be shortened by removing inches from the upper end (opposite the fence) For example, one may cut a measuring board off at the 26-inch mark in order to fit crossways between a watercraft's gunwales. However, it may not be broken, snapped, or cut apart and then reassembled at any point between the two ends. A crack that does not separate the measuring board into pieces and does not affect the measuring board's accuracy may be repaired and reinforced for use. Violation will result in denial of photo.

D. Competitors may share measuring boards.

E. A break of the measuring board's fence may be mended for use if the repair is rigid, flat and at a right angle to the measuring surface. The mended measuring board must be submitted to the Tournament Director, personally or by two or more emailed photographs that clearly show (i.) the mended area and (ii.) a side view of the measuring surface and the fence. Violation will result in denial of photo.

F. Each competitor must use a mobile phone with camera or a digital camera or video camera capable of producing still photos with memory card and/or download cable to submit digital photographs.

When a Competitor's smart phone becomes inoperable or is lost, he may share smart phones with other Competitors, provided each Competitor logs into his own TMS account in order to submit photos of fish

he caught. Competitor under the same circumstances may share digital cameras, provided each Competitor can clearly and positively identify photos of the fish he caught. Violation will result in denial of photo.

G. Live, cut, artificial and preserved baits may be used BUT competitors may not use anything on their baits that may be harmful to the fish or environment, such as WD40 or motor oil. Violation will result in disqualification from the Event.

H. Up to 4 casting, spin-casting, spinning, or fly rod and reel may be in use at any one time. A rod and reel are considered to be “in use” when a hook or lure attached to it by a line is in or on the water. A hung lure (one snagged in an overhanging tree) that is not in or on the water is not considered in use and the attached rod and reel may be set aside while another is in use.

I. Nets and grippers (e.g., Fish Grip, Boga-Grip) may be used for landing fish during tournament competition and may remain attached to the fish in photos.

J. If a Competitor breaks his line while setting the hook or retrieving a fish, he is allowed to make an attempt with the rod being used or by hand to secure the line and land the fish to be counted as legal. He may NOT hook the line with another lure, rod and reel, or other device. If a Competitor loses his rod and reel while landing a fish, he MAY use another rod and reel to retrieve the lost outfit. If after retrieval, the fish is still hooked, it may be landed, photographed, and submitted as a legal fish. Violation will result in disqualification from the Event.

8. Watercraft & Propulsion

A. Watercraft acceptable for use in TCKA Competition are:

i. Small, narrow, single-hull watercraft not exceeding 44 inches in hull width and 17 feet in hull length, or 18 feet in combined hull length plus attachments, and...

ii. that the manufacturer identifies and sells as a kayak, including inflatable kayaks and modular kayaks

iii. Stand-up paddleboards (SUP)

iv. Canoes

v. Other watercraft specifically approved as exceptions in advance of competition by KBF/TCKA Management. Approved exceptions for 2019 are:

- Blue Sky Boatworks 360 Angler
- Biyak

If unsure about the acceptability of a watercraft, contact KBF/TCKA Management in advance for eligibility determination.

vi. Unless approved as exceptions by KBF/TCKA Management, the following watercraft may not be used in competition:

a. Gas- or liquid-fueled motorized or hybrid fuel/electric powerboats or personal watercraft such as jet skis

- b. Sailboats
- c. Jon boats
- d. Pirogues, coracles, and rowboats
- e. Dinghies and skiffs
- f. Float tubes, inflatable rafts, and rigid inflatable boats (e.g., Zodiac)
- g. Pontoon boats, pontoon-style pond boats, twin-hull watercraft, or similar.

Use of watercraft in competition other than those listed above as acceptable or exceptions will result in disqualification from the Event.

B. Watercraft propulsion is restricted to paddle, pedal, pole, gas or electric motor.

C. Unless specifically prohibited in the TCKA Event Rules Addendum, use of a single gas or electric propulsion unit per watercraft in TCKA-sanctioned competition is approved with the following restrictions:

i. Competitors must comply with all boating regulations pertaining to motorized kayak/ gas/electric-propulsion watercraft registration, use, and operating restrictions for the designated fishing area. Violation will result in disqualification from the Event.

ii. The motor used to propel a watercraft:

a. must be attached to the kayak in a safe manner for operation, and

b. may not exceed the lesser of (a.) manufacturer's labeled Maximum HP/Thrust Capacity, (b.) 3 HP, or (c.) 155 foot-pound thrust. Violation of either condition will result in disqualification from the Event.

D. Towing, transport or relocation assistance from another watercraft, including "mother shipping," is NOT permitted except in cases of emergency, as when pulling a kayak from a danger zone or restricted area. Once the emergency has ended, the Competitor may resume fishing only if the watercraft was pulled no more than 100 yards from the danger zone. Violation will result in disqualification from the Event.

E. Trolling (i.e., bait and lure(s) attached to rods and towed behind a watercraft while underway) is permitted in TCKA Competition.

9. Photo Standards—Digital photographs of each fish submitted to judges for scoring must meet these criteria:

A. Unique—Each digital photo submitted by the same Competitor in each Event must be of a different fish. Subsequent digital photos of the same fish submitted by the Competitor in an Event will be denied.

B. Visible/Legible—Each photo must be in sharply focused and clear enough for a judge to:

i. Verify the correct Identifier Form and Event ID Code. Inability of the judge to verify will result in denial of photo.

ii. Verify the fish's condition. Violation will result in denial of photo.

- iii. Verify the fish's length. Judge will score fish at the greatest length of which he is certain.
- iv. Verify whether the catfish's jaw or lip is in contact with the measuring board fence. Inability of the judge to verify will result in a penalty of 1 inch.
- v. Except where covered by hand or fingers, the entire fish, from its mouth/jaw to the tip of its caudal (tail) fin, must be visible in photos. If either end is covered or cropped off, the photo will be denied.

C. Centered—Camera lens positioned directly over the center of the fish's body, which contributes to accurate measurement by judges. Photos taken at a low angle in order obscure an open mouth may be denied or penalized at the Tournament Director's discretion.

D. First generation—Each digital photo must be a first-generation image (not a photo or screen-shot of another photo). Violation will result in denial of photo.

Photos submitted for scoring that, in judges' opinions, contain evidence of a possible disqualifying infraction—including photos that appear to have been cropped or modified (e.g., image enhanced or filtered) in such a way as to obscure infractions—will be accepted with a score of 0.01" and a note indicating the nature of the infraction is emailed to the Competitor. The Tournament or Series Director will review all such photos and will make any disqualification ruling. The Director may also contact Competitors to request submission of original un-cropped, un-filtered photos for further review and verification. Failure by Competitors to respond or refusal to submit the original photo will result in denial of the photo.

E Identifiable—Official TCKA or KBF Identifier Form above, below, on or beside that fish or attached to the Competitor's hand or arm. Neither a hand-drawn form nor an image of the TCKA or KBF Identifier Form on a smart phone are permissible. Violation will result in denial of photo.

F. Background—Competitor's watercraft clearly visible in the photograph. Violation will result in denial of photo.

G. Hand Position.

- i. In competition, hand or finger(s) may be in contact with the caudal peduncle (fleshy part of the fish's body at the base of the caudal fin) but not touching any portion of the caudal fin (tail fin). Violation will result in a 1-inch deduction in score.

H. Mouth

- i. Fish's lip or jaw must be in contact with measuring board fence (bump board, upright), and the fence must be visible in the photo (At least some part of it). Violation will result in denial of photo.

I. Not "In-possession." In most states, though not all, unless a fish is secured by a restraint device or is placed in a holding container, state regulatory agencies do not consider it to be "in possession" by Competitors, so states' minimum length regulations do not apply for photo submissions. If Event takes place in a state where photographing a fish constitutes "possession," and a photo is submitted of a fish that does not comply with state size limits, the photo will be denied. (Refer to regulatory compliance, Rule 7.A.)

10. Scoring

A. Fish length is determined by its caudal fin (tail fin) touching or crossing the quarter-inch ridge/line on the measuring board. If it falls short of a 1/4-inch mark, the length is rounded down to the next lower 1/4-inch mark that the bass' caudal fin actually touches or crosses.

B. If any portion of a fish's caudal (tail) fin extends off the measuring board, the score will be determined by the highest 1/4-inch measurement reached or crossed by the portion of caudal fin on the Measuring Board. Any portion of the caudal fin extending off the Measuring Board is not considered in scoring.

C. Tournament ranking, contingency awards, Angler of the Year Points, Challenge Points, and Championship qualification shall be determined by the aggregate length of each Competitor's photos remaining on the Leader Board when judging has concluded, and the Dispute Period has closed. Unless otherwise stipulated in the TCKA Event Rules Addendum:

i. In 24-hour tournaments the scores of the two longest fish on the Leader Board when judging is complete will be combined to determine the aggregate score.

ii. In month long tournaments, the scores of the five longest fish of that month on the Leader Board when judging is complete will be combined to determine the aggregate score.

D. If a Competitor's photo is denied by a judge after end-of-competition, it may be automatically replaced by a previously submitted and auto-culled photo; however, no Competitor may submit a replacement photo after end-of-competition time.

E. In the event of a tie in score, the tied competitors' longest (highest-scored) fish are compared, and the tie breaks in favor of the competitor with the longest (highest-scoring) fish. If the longest fish are equal, the second-longest fish are compared and determine which competitor wins the tie. If the second-longest are identical, the process repeats for each of the remaining fish. If all of the tied competitors' highest scoring fish are identical, then the tie breaks in favor of the competitor whose last Leader Board photo was uploaded earliest.

F. TCKA judges apply the following scoring criteria to adjust measurements, approve or deny photos, and to penalize photos by deducting points (length) or disqualifying a Competitor.

A. In the event of a rule violation, the Tournament Director may impose such penalties as deemed appropriate, including without limitation, the following:

i. Reduction of score (length) as described above or determined by the Tournament Director

ii. Loss of catch for the day or up until the violation has been remedied

iii. Disqualification from the tournament in question

iv. Any additional penalties determined by the Tournament Director including but not limited to monetary fines and/or reduction of Competitor of Year points.

Subject to the dispute and appeal processes set forth below, the Tournament Director's decisions on violations are final.

B. Following a review of evidence, a determination by KBF Director of Operations of cheating or conviction of fraud will result in permanent revocation of KBF Membership, suspension from all Kayak Bass Fishing competition and KBF-affiliated Events, and series, and revocation of all KBF Social Media privileges. The findings will be published on a password-protected KBF Members-only web page.

C. Competitor acknowledges that (i.) the use of polygraph tests may be necessary to verify compliance with rules and to settle disputes and (ii.) entry constitutes acceptance of this requirement and agreement to abide by its conclusion. Refusal by a Competitor to submit to a polygraph test is grounds for immediate disqualification from the KBF Event and prohibition against future participation in any KBF-affiliated Event. Results of a polygraph test will not be the sole determining factor in a KBF Management Review of a Competitor's eligibility for awards and qualification for future participation but may be one of several factors considered in such review.

D KBF Director of Operations shall

i. Have the discretion to determine the need for a Polygraph examination.

ii. Be responsible for (i.) selecting an independent expert to administer the polygraph test, (ii.) establishing, in consultation with the expert administrator, the scope of the questions that may be asked during the test examination, and (iii.) interpreting the results.

iii. Have sole responsibility selecting the location, date, and time of the test nearest KBF headquarters with respect to all concerned parties schedule and travel cost.

E. The Competitor shall:

i. Make himself/herself available at the location selected by the Tournament Director

ii. Cooperate in all respects with such test.

F. Competitors may be selected at random to undergo polygraph examinations during or following KBF competitive Events.

12. Awarding of Prizes

A. Prizes and numbers of positions paid out are addressed in the Event Rules Addendum. Amounts paid per rank are subject to change based on participation (lower value for fewer entries and higher value for more entries) and sponsor provision.

B. Prizes will be processed after all photos submitted for scoring have been judged, the results reviewed by a separate panel, and disputes have been resolved.

C. Product prizes (e.g. kayaks, paddles, propulsion units) may require additional processing or delivery time. This allows competitors some flexibility in selection of model, color or style. Product selection may be limited to specific features and models.,

Recipients of sponsor product awards must fill out and submit a Prize Claims Form, found on the KBF Website.

13. Taxes — Competitors are responsible for all applicable taxes on both cash and merchandise awards. Failure to meet those obligations may result in disqualification from all future KBF events. All prize recipients whose cumulative total for the year adds up to \$600 or more must fill out and turn in an IRS Form W-9 including name, address, social security number, signature and date. These are used to prepare IRS 1099 forms for distribution in January.

14. Sale of Prizes — No prizes won participating in TCKA/KBF Events may be advertised or promoted for sale on TCKA/KBF Facebook pages for a period of one full year. Violation of this rule will result in ineligibility for all future events and forfeiture of qualification status.

15. Safety

A. During competition, every Competitor must have all required Coast Guard safety equipment, (e.g., light source, whistle or other audible signal device, Coast Guard-approved chest-type life preserver [PFD]). See www.uscgboating.org/.

B. PFD Usage — At all times, except as described below (Rule 15.C. PFD Wear Exception) while on the water during competition hours, Competitors must wear either an inherent-flotation or inflatable USCG-certified PFD, either vest-style or float jacket. A belt-style PFD, even one that deploys as a vest, is not permitted during Competition. The PFD must be properly positioned and adjusted to conform with USGC and manufacturers' instructions. When an infraction, as described above, is verified by the Tournament Director, the competitor is disqualified from participation in the event.

C. PFD Wear Exception — If all of the following conditions exist, Competitor may briefly remove his PFD while afloat in order to change, add or remove articles of clothing:

i. No fishing lines are in the water; and

ii. The watercraft is not underway; and

iii. Weather and water conditions permit one to do so safely; and

iv. Competitor is over the age of 12.

When finished changing his attire, Competitor must immediately put the PFD back on before resuming navigation, fishing, or any other competition-related activity.

Read Crystal Keill's article on wearing of PFDs.

D. The Tournament Director has the right to postpone or cancel the start of an official tournament day because of bad weather or other factors that would jeopardize Competitors' safety. Tournament waters may also be restricted at any time because of bad weather.

E. In the event of weather emergencies that pose an imminent threat to Competitors, the Tournament Director may terminate Competition before the scheduled end-of-competition time. An Early Termination Announcement with an adjusted end-of-competition time will be broadcast to Competitors via email and group text messaging and will also be posted on the TMS site and social media sites. The Announcement will also specify an adjusted report-in time and location. If safe to do so, upon receiving the Announcement, Competitor should make his way to the specified location at that time.

Competitor is required to stop fishing as soon as he receives the Early Termination Announcement. No photos of fish caught after the adjusted end-of-competition time may be submitted for scoring; however, to accommodate those seeking shelter immediately, Competitor has up to 15 minutes after the Adjusted End Time to submit a photo of any bass caught before the adjusted end-of-competition time/photo submission deadline.

F. In the event of an emergency situation, Competitor should call 911 first and then notify tournament officials as soon as possible.

G. Use of alcohol or drugs (other than those purchased over the counter or prescribed by a licensed physician) by any Competitor during an Event will not be tolerated and will be cause for automatic disqualification from this and all future TCKA/KBF tournaments. No alcoholic beverages or other non-prescription stimulants or depressants shall be allowed in watercraft during competition days. Chemical substance addiction or abuse, conviction of a felony or other crimes involving moral turpitude, or other conduct reflecting unfavorably upon efforts to promote safety, sportsmanship, fair competition and compliance with tournament rules, shall be grounds for rejecting any application for participation and/or for disqualification after circumstances are reviewed by the TCKA/KBF Director of Operations. Any disqualification, suspension from, or other disciplinary action regarding any tournament or fishing organization, shall be grounds for rejecting any application for participation in a TCKA/KBF tournament, and/or disqualification from a TCKA/KBF tournament, after circumstances are reviewed by the TCKA/KBF Director of Operations.

H. Night Tournaments that take place between April 1 and September 30, in which boats leave or return after 10:30 P.M., must comply with the following six stipulations in order for the event(s) to be eligible for Event Liability Insurance coverage provided through the North American Tournament Association's policy.

i. All participant boats must be equipped with working Coast Guard approved running lights. Running lights must remain on in accordance with the governing state regulations. [Note: Kayaks are categorized by USCG as "oar-driving craft" and meet USCG requirements by having an "electric torch" (a.k.a.

flashlight) that can be used to signal other boaters. While anchored, all watercraft must display a 360-degree white light. Some states impose additional requirements.]

ii. The tournament director shall have predetermined the availability of cell phone or radio coverage to assure reasonable communications in the event of an emergency. [Note: All competitors should make sure their cell phone numbers are entered in the TMS and the Tournament Director should have a list of all competitors with cell phone numbers for texting or calls.]

iii. The tournament director shall have on hand the contact information for emergency rescue and medical services and must maintain the ability to make contact at all times during the tournament.

iv. The governing authority, as required by law or ordinance, shall be notified of the tournament date and hours.

v. The tournament rules shall mandate an on the water speed limit of not more than 35 miles per hour between sunset and sunrise. [This should pose no problem for our competitors.]

vi. The tournament director shall have in place a system of accounting for the return of all participants. [Note: This includes not only an end-of-competition check-in but also a way for competitors who leave early to notify the TD.]

16. Competitor Conduct — Competitors participating in any TCKA/KBF sanctioned event must observe the applicable rules for the specific event in which they are participating and must conduct themselves at all times in a manner that reflects favorably on the sport of kayak bass fishing, KBF, its members, officers or representatives, tournaments or sponsors. Competitors are expected to follow high standards of sportsmanship, courtesy, integrity, safety and conservation in support of the sport of kayak bass fishing, especially when in the vicinity of non-Competitors who may be on or beside Eligible Water. Any Competitor who violates these principles or behaves in ways that reflect unfavorably TKCA/KBF efforts to promote fisheries conservation, clean waters and courtesy, may forfeit tournament winnings, face suspension from future TCKA/KBF sanctioned events, be permanently banned from competition, or any combination thereof deemed appropriate by KBF.

17. Disputes and Appeals

A. If a Competitor wishes to dispute a rules violation penalty, a judge's scoring decision, a Tournament Director's decision or other action that materially affected the Competitor's ranking or prize eligibility, he must email a dispute with the Tournament Director within 24 hour (one full day) following completion of Event judging. The dispute must include the following:

i. Event title, location, and date

ii. Description or identification of penalty imposed, or condition being disputed

iii. Reference to pertinent rule

iv. Reason for dispute and requested action

Except for situations involving fraud or other law violation, any disputes submitted after the 24-hour dispute deadline will be reviewed without affecting the outcome of an event. No change in rank or reward will result from disputes submitted after the deadline. Only Competitors in the Event where the

disputed action occurred may submit disputes. Disputes must be handled privately. All parties directly involved will be provided a copy of the dispute. The Tournament Director will review the Competitor's claims, thoroughly investigate the disputed decision, and issue a ruling.

B. The Competitor who filed the dispute may appeal the Tournament Director's ruling. Appeals of rulings must be presented to the KBF Director of Operations via email within 24 hours from the time and date of ruling. An Appeals Processing Fee of \$100 must be paid to KBF via PayPal Funds Transfer. KBF Director of Operations will impanel an appeals committee comprised of one KBF staff member not involved directly in directing or judging the Event and two KBF Members who were not Competitors in the Event. Appeals hearings shall take place within seven (7) business days from the date of receipt of the written appeal, and all parties must make themselves available at prescribed time of hearing. The appeals committee will submit its findings and recommendations to the KBF Director of Operations, whose decisions are final. If the Director of Operations rules in the Competitor's favor and reverses or nullifies the ruling, then the entire Appeal Processing Fee will be refunded; however, if the ruling stands, then the Fee is forfeited.

18. Public Comments

A. The favorable public reputation of TCKA/KBF as a sanctioning organization in the sport of kayak bass fishing, the integrity of its officials, and the reputation of its media channels are valuable assets and tangible benefits for TCKA/KBF. Accordingly, it is an obligation of Competitors to refrain from comments in public forums and social media or to the news media that unreasonably attack or disparage the integrity of Trophy Catfish Kayak Anglers and Kayak Bass Fishing tournaments, tournament officials, sponsors, fellow members, fellow Competitors or the TCKA/KBF organizations. Competitors are encouraged to express themselves and have the right to question the rules officials. Responsible expressions of legitimate disagreement with KBF policies are encouraged, as opposed to attacks upon the integrity of the rules or officials. However, public comments that a Competitor knows, or should reasonably know, will harm the reputation of Kayak Bass Fishing LLC, KBF officials, KBF members or sponsors, may result in disciplinary action.

B. Sponsor contributions will not be devalued by disputes or disagreements in public forums or social media platforms.

C. Publicly disputing any judgment decisions by a TCKA Tournament Director, KBF Director of Operations or judges will result in participants receiving one warning followed by disciplinary action up to permanent disqualification for repeated offenses. Any public dispute of final rulings, ongoing determination by judges or judging panel is grounds for immediate disqualification from the current Event and termination of any eligibility for future Events, even if previously qualified. This provision is not intended to discourage legitimate disputes but to ensure that a fair and unbiased approach is used, and the approved challenge and appeals processes are followed in determining the best possible outcome.

19. Unavailability and Force Majeure — TCKA will use reasonable efforts to hold the Event; however, under no circumstances will KBF be held responsible for unavailability caused by circumstances beyond TCKA's control, including flood, fire, hurricanes, earthquakes or other "acts of God," acts of government, civil unrest, acts of terror, strikes or labor problems nor will any Event Registration be cancelled, altered

or amended once the Event has commenced on the basis of circumstances beyond KBFs reasonable control.

20. Compliance with Laws — This Agreement shall be governed by the laws of the State of Tennessee. All rights and obligations of the TCKA/KBF and the Competitor under this Agreement are subject to all applicable federal, state and local laws and regulations. These terms and conditions shall be deemed revised to conform to applicable statutes, rules and regulations. TCKA and KBF may modify the terms and conditions stated herein at any time in its sole and absolute discretion. Competitor shall be bound by the modified Agreement and agree that no other modifications shall be enforceable. This Agreement constitutes the entire Agreement between the parties and supersedes all prior agreements between the parties, whether written or oral. The invalidity or unenforceability of any provision hereof shall not affect the validity or enforceability of any other provision. The waiver of any breach shall not constitute a waiver of any subsequent breach.

21. Waivers and Releases

A. Name and Likeness Release — By registering for this Kayak Bass Fishing Event, the Competitor grants to Kayak Bass Fishing, LLC and Kayak Bassin TV the right to use all photographs, likenesses, stories, accounts, details of Competitor contributions, exploits, interviews, bloopers, and information pertinent to the Kayak Bass Fishing Event, as well as any video footage, photographs gathered at the Event, for marketing and promotional purposes.
