

# TECHNOQUARTZ®

BY HENDRIX

THE COLLECTION

# FORM. FUNCTION. LIFESTYLE.

TechnoQuartz™ countertops are more than just a surface; they are a defining element of form, function, and lifestyle in your home. With versatile design options, every surface enhances the aesthetic appeal of any space, creating a centerpiece that reflects your personal style.

Functionally, quartz offers unparalleled durability, resisting stains, scratches, and heat, making it ideal for the demands of daily life. Its low-maintenance, non-porous surface promotes hygiene and ease, catering to modern lifestyles that value both beauty and practicality.

Whether hosting friends, preparing meals, or creating lasting family memories, TechnoQuartz™ countertops seamlessly integrate into your life, blending elegance with everyday usability.

# ORIGINS™

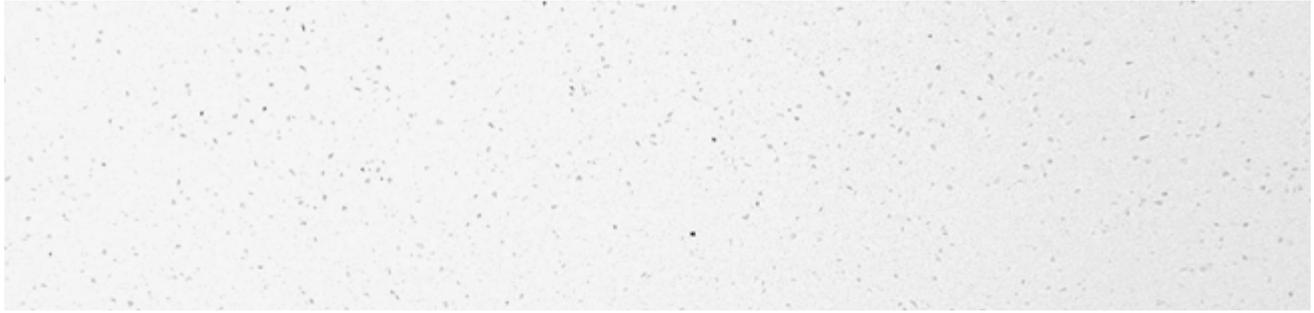

Discover **Origins**, a collection that celebrates the beauty of beginnings and the essence of where it all started. Inspired by the raw, pure elements that shape our world, each piece in this collection draws from the earth's natural materials, timeless textures, and enduring designs.

Origins is a tribute to heritage, craftsmanship, and the stories that define us. From the quiet strength of ancient landscapes to the power of simplicity, this collection evokes a sense of connection and authenticity. Whether it's the richness of tradition or the spark of something new, Origins invites you to embrace the foundation of style and timeless beauty—where every piece feels like coming home.

# AMERICANA™

Country Roads Shown On Desk and Wall

Introducing **Americana**, a collection that celebrates the stunning tapestry of natural beauty of the American Mountain Landscapes, showcasing a wide variety of ecosystems and terrains. From the rugged, snow-draped peaks of the Rockies and Cascades to the soft, rolling hills of the Appalachians, each range offers something unique.

Americana captures the essence of the land and the people who have shaped it. This collection is a tribute to classic craftsmanship, rugged beauty, and the enduring American spirit. Let Americana take you on a journey through heritage and homegrown charm, where each range tells a unique story of geological history and natural beauty.

**Our Vision:**

*Transforming earth's minerals into the heart of the home and work-place.*

**Our Mision:**

*Together, we deliver the best quartz surfaces, with the highest service and value across every channel and community we serve.*

Founded with a passion for technology and commitment to excellence, Hendrix is a forward-thinking company specializing in providing innovative, high-quality quartz and natural stone surfaces manufactured in the United States.

Hendrix Industries is the first fully integrated quartz manufacturing plant in Texas. Our strategic location in Sealy, Texas provides easy access to markets and resources for distribution across Texas and beyond.

From the beginning, Hendrix has been committed to making a difference not just in our products but in the communities we serve.

Whether it's providing the highest quality products, tailored customer support or local volunteer service, we strive to leave a positive footprint.

## PRODUCT INFORMATION

Finishes	Nominal Size	Thickness
Polished Honed Leathered	126" x 71"	2CM & 3CM

Custom slabs finishes in honed or leathered are available by special order. Not all colors available in alternative finishes.

## INSTALLATION NOTES

TechnoQuartz Slab Surfaces are nonporous, reducing the potential for bacteria growth, resist common food stains and are stronger than natural granite.

TechnoQuartz Slab Surfaes are very low maintenance.

TechnoQuartz Slab Surfaces contain natural quartz stone providing consistent color and visual movement.

TechnoQuartz Slab Surfaces have a durable, scratch-resistant surface.

TechnoQuartz Slab Surfaces are heat and scorch-resistant under normal cooking conditions (use of a trivet is recommended for longer or extreme heat exposure).

## APPLICATIONS

	Target DCOF wet	Suitable
Walls/Backsplashes	N/A	√
Countertops	N/A	√

TechnoQuartz Slab Surfaces do not meet minimum coefficient of friction thresholds recommended for safety standard-setting organizations. Water, oil, grease, etc., create slippery conditions. Floor applications with exposure to these conditions require extra caution in product selection.

## APPLICATION NOTES:

Quartz not suitable for exterior applications due to small resin content. The sun will etch the material.

## SLAB PERFORMANCE CHARACTERISTICS

	Test Method	Average Results*
Water Absorption	ASTM C97	≤ 0.10%
Specific Gravity	ASTM C97	≤ 2.4
Flexural Strength	EN 14617-2	≥ 45 MPa
Chemical Resistance	ASTM C650	Not Affected // Class A*
Stain Resistance	ASTM C1378	Not Affected // Class A*
Impact Resistance	EN 14617-9	≥ 4.8 J
Abrasion Wear Index	ASTM C501	≥ 136
Scratch Resistance (Mohs Hardness)	ASTM C1895	4 - 6
Fire Rate	ASTM E83	Class A
Thermal Shock Resistance	ASTM C484	Pass - No visible defects
Freeze-Thaw Resistance	ASTM C1026	Pass - No visible defects

\*According to ANSI A137.1. Custom testing results by color are available upon request.
