

# **PRESIDENTS CHOICE**

This is a friendly competition that recognizes the hard work and investment of fellow Corvair enthusiasts.

Entered vehicles will be eligible to win awards in the following categories:

Best Engine

Best Interior

Best Paint

Best of Show

Best Engineering

Most Unique

Winners will be chosen by the Presidents of the sponsoring Corvair clubs or their designated representative. As the title indicates, it is strictly “their choice” as to who wins an award as there are no formal checklists, etc.

Participants understand and agree that their entered vehicle will be competing in ALL listed categories. In other words, a participant cannot request that the entered vehicle be exempt from consideration from one or more categories.
