CLAY GRANT'S CORVAIR DINER

Special "Thank You" award for volunteering to oversee the food as presented by the 5 Sponsoring Corvair Clubs

**Where service to Corvair Owners
begins with a smile...**

...and ends with one

Corvair Diner-The Southeast's fastest growing chain of fictitious restaurants-is so delightfully different, no wonder it has caught CORSA's fancy.

Clay's Corvair Diner is a unique concept in restaurants designed for 'vair lovers on the move. At Clay's there are no waiters, no waiting, no tipping. The atmosphere is home-like, casual, relaxed.

The whole family will enjoy the good-tasting,

nourishing food-like the Double Deck Ramp-side Burger...an exclusive Grant's creation that's a nutritionally balanced meal-in-itself-big enough to satisfy a healthy appetite. And the whole family will enjoy his world famous Georgia Peach Cobbler.

Wherever you go... look for the Corvairs. It's a sign of good food...service with a smile and prices so low (can you say FREE).

That's Clay Grant's *Corvair Diner*.
