

PRESIDENTS CHOICE

This is a friendly competition and that recognizes the hard work and investment of fellow Corvair enthusiasts.

Entered vehicles will be eligible to win awards in the following categories:

Best Engine

Best Interior

Best Paint

Best of Show

Most Unique

Best Engineering

Winners will be chosen by the presidents of the four sponsoring Corvair clubs or their designated representative. As the title indicates, it is strictly “their choice” as to who wins an award as there are no formal checklists, etc.

Participants understand and agree that their entered vehicle will be competing in ALL six listed categories. In other words, a participant cannot request that the entered vehicle be exempt from consideration from one or more categories.

Since this is the second year of the Presidents Choice Awards, we respectfully request that participants remain flexible and understanding if we make last-minute changes that will make the event better.
