

RURAL WATER DISTRICT #10

July 18, 2023

AGENDA

OPEN BUSINESS MEETING

Review and accept June minutes

Treasure report

Water Account Report

Old Business:

1. Lead & Copper Survey update-has been sent out and have gotten some responses. A spreadsheet has been created to record responses
2. Insurance increase update-rate increase due to 2 claims made on the policy
3. Audit update-Russell came on Thursday and should be finished this week. Will go over results at next meeting
4. Tower extension update-came last week to finish up the 2nd tower. The spout angle is facing the field but he said we may need to dig a trench or put a splash pad down or else the water will pool around the tower. Maybe KNA can come look and give ideas?

NEW BUSINESS:

1. Steve's report
2. Andy's report
3. Letter to Hydralink to remove equipment-should the lawyer write it or can we?
4. Godaddy
5. Forfeiture

Patrons Concerns:
