2025 MENTOR APPLICATION

Our Mission: To positively impact and support young males' educational experiences through providing scholarships, group/individual mentoring and assessing the personal plus academic needs of black males attending college.

Who We Serve: We assist young African American males from single parent households who are either entering or already attending a 4 year HBCU.

How Do We Serve:

- *By providing scholarships that can be applied to books, room and board, meal plans and/or tuition.
- *We will provide care packages to assist with their personal and hygienic needs.
- *Provide mentorship via multiple sources of communication mediums.

Our Goal:

- *To increase the number of African American men that matriculate through college and graduate.
- *Providing a safe space to share their accomplishments, challenges and fears.
