

AI-Powered Dog Washing and Drying Machine

A Smart Device That Earns Money Automatically

Shenzhen Jens Electric Co., Ltd.

B401, No. 337 Changfeng Road, Changzhen Community,
Yutang Street, Guangming Area,
Shenzhen, Guangdong, China

Dualcare

We focus on fully automated AI pet washing-and-drying machines and operate as an original manufacturer. With strengths in equipment, business model, and service, we use AI to enhance pet care and secure our role as a leader in the pet-washing industry.

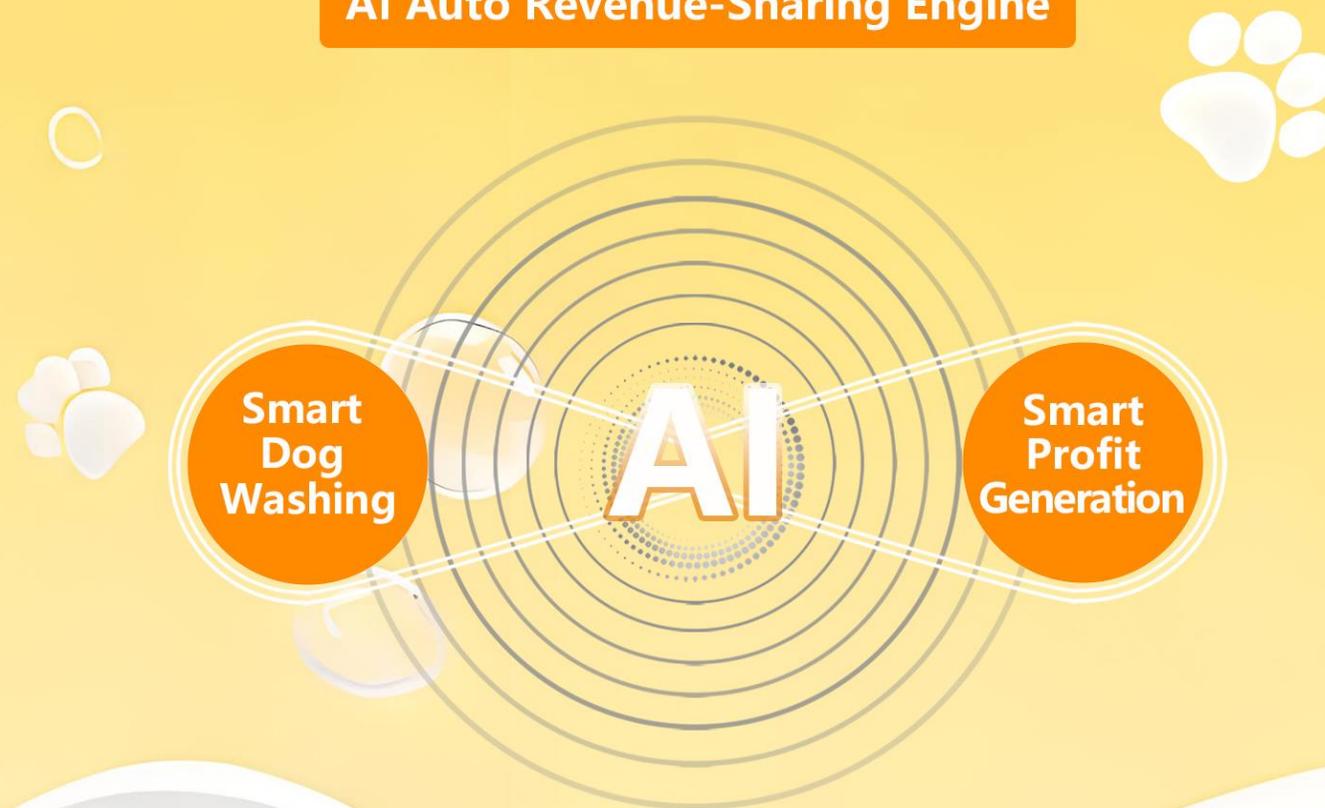

AI Smart Pet Washing

Makes Pet-Care Services Simpler and More Profitable
A Light-Asset Way to Tap Into the Growing Pet Economy

Two Next-Gen Fully Automated AI Systems

AI Auto Grooming Engine
AI Auto Revenue-Sharing Engine

Reinventing Traditional Pet Grooming

Faster. Smarter. More Profitable.
A Triple-Threat Upgrade

4x Faster

Traditional pet salons:
1-2 hours per dog,
lost clients at peak.
Dualcare Dog Washer:
30-40 minutes per dog.

Save \$54,000+ per Year

No technicians (\$4,500/month)
zero supervision,
fully automated washing.
Hands-free, cost-cutting,
profit-boosting.

6-Step Hair Care Perfect Every Time

From detangling rinse to intelligent
drying — each step timed and
formulated for flawless results.

Deep Wash (Large & Medium Dogs, 10kg+)

6-step professional deep-wash mode for dogs over 10kg. From thorough cleaning to intelligent drying, it protects skin and coat efficiently and gently.

Deep Wash (Small Dogs, Under 10kg)

6-step deep-wash mode for small dogs under 10kg. Precise care from cleaning to intelligent drying — fast, gentle, and professional.

Quick Wash (4-Minute Fast Clean)

Rapid wash mode with shampoo and conditioner rinse. Efficient process delivers fast, professional-level cleanliness.

Dry Only (Custom 5 - 30 Minutes)

Intelligent temperature-controlled drying for 5-30 minutes. Even drying without overheating, leaving coat fluffy, smooth, and salon-quality.

Break the Limits of Traditional Manual Dog Grooming AI Smart Dog Washer Makes Pet Care Truly Easy

Multiple Grooming Modes to Suit Dogs of All Sizes and Breeds

DUAL SAFETY

304 Stainless Steel

Durable and non-toxic, ensuring a safe and worry-free bath for your dog.

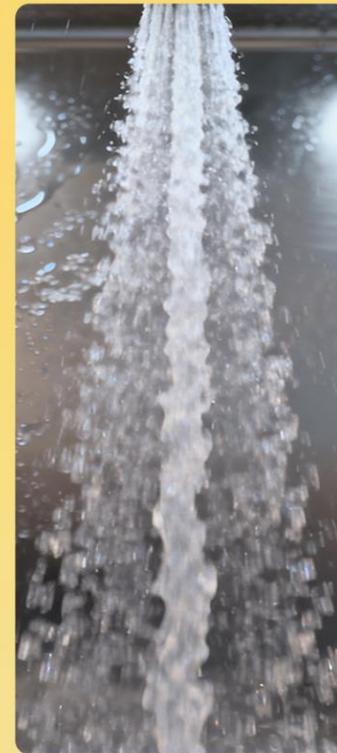

AI Smart Temperature Sensor

Automatically adjusts water temperature for your dog, providing gentle and precise care every time.

Automatic Spray Disinfectant UV Triple Sterilization

Spray + Disinfectant + UV deliver a deep sanitation for the machine! After each wash, the dog washer disinfects automatically, eliminating cross-contamination and ensuring every grooming session is safe and hygienic. Keep your pets healthy without compromise.

Automatic Spray

High-speed, high-pressure wash quickly removes internal residue and pet hair, clearing the way for thorough cleaning.

Disinfectant Spray

Precision spray of specialized disinfectant penetrates machine crevices, targeting surface bacteria effectively.

UV Sterilization

Deep-penetrating UV kills hidden germs, completing a triple-protection hygiene barrier.

Dualcare Large Target Market

Dualcare serves customers both domestically and internationally.

Target Customers Include: Laundromats, Traditional Pet Shops, Entrepreneurs, Residential Communities, Parks, Malls & Shopping Centers.

Dualcare: Pet dog washing, care and drying

Model: DK06S PLUS

■ Function

- 【Smart Care, Gentle on Skin】
- 【Rapid Drying, Safe & Secure】
- 【Thorough Cleaning, Ensures Hygiene】
- 【Time-Saving, Convenient Living】
- 【Eco-Friendly, a Green Choice】
- 【Voice Comfort, Thoughtful Pet Care】
- 【Infrared Temperature Sensing. Health Protection】
- 【Instant Heating, Precise Temperature Control】

■ Material

- Cavity Material: SPCC Plate
- Inner Cage: 304 Stainless Steel
- External Case Material: SPCC Spray Coating

■ Specification

- Voltage & Frequency: 220-240V 50Hz
- Water Heating Power: 5500W
- Drying Power: 5000W
- Water Pump Power: 750W
- Fan Power: 800W
- Bottom Blower: 2 x 36W
- Bottom Crushing Pump: 108W

■ Dimensions

- Net Weight: 315KG
- Gross Weight: 330KG
- Inner Dimensions: 555(L)x920(W)x 800(H) mm
- Product Dimensions:
910(L)x1270(W)x1770(H)mm
- Package Dimensions:
980(L)x1300(W)x1800(H)mm
