Dear Prospective Donor,

I am writing this letter for your support for a very special endeavor started by the Anchor Project Center. The Fathers and Mother Scholarship program, (FAMS), is an educational program that is designed to enable our participants to adequately support their families by earning a livable wage.

Currently our participants earn an average of \$10.89 per hour. This is not a livable wage, especially for people with families who are in treatment for substance use disorder. After completion of our education program, that average becomes \$24.16. A life-transforming livable wage. Anchor Project Center is collaborating with Bridge Valley Community and Technical College for this special program.

We need your help to show the love of Jesus to our participants to and to show them that second chances exist. It is never too late to make a positive change in life and we get to see the bonds of addiction broken daily. Your generous donation will help to make all this possible.

If you have any questions, please do not hesitate to call me at 304-415-4341.

Thank you and have a blessed day.

Sincerely,

Rev. Larry Wood
