

## **TEN UP MINISTRIES, INC**

Ten Up Ministries is a faith based organization, which through our affiliates strives to effectively address all areas of the recovery process in one comprehensive program. Spiritual, medical, legal and financial issues all must be resolved in order to achieve long-term recovery. Our recovery program provides this in a clean, safe, and supportive residential environment.

### **Anchor Project Center**

West Virginia licensed behavioral health facility.

West Virginia licensed medical laboratory.

Comprehensive addiction and behavioral health services integrated into a long-term residential recovery program.

Behavioral health services including addiction counseling and supportive counseling, as well as psychiatric and medical services.

Professional staff includes a psychiatrist, family nurse practitioner, as well as licensed therapist and addiction counselors.

### **Anchor Homes**

A long-term residential recovery setting combined with behavioral health, addiction, and peer support services. Program includes full-time employment, education and job skills training, financial counseling, life skills, and permanent housing.

Strong emphasis on peer to peer support, 12 step fellowship, and community service.

Anchor Homes staff includes peer recovery specialists, ordained ministers, supportive counselors, and a licensed attorney to assist participants.
