

COVID-19 UPDATE

DELAWARE PLANT

January 12, 2021

On January 12, 2021, the local was informed of a confirmed positive for COVID-19 case at the Delaware P&DC.

Craft: Clerk

Last day at work: 12/30/20

Management reports daily cleaning provided by facility custodians as well as post Covid cleaning. Stand up talks to be given on January 13, 2021.

If you did not receive the stand-up talk on January 13, 2021 and/or do not see daily covid cleaning taking place, please provide a statement to the union. We must hold management accountable for keeping us all safe!

Remember we have to social distance at all times. Yes, this means in the cafeteria and when talking to your friends.

Please wear the mask and wear it properly! This means over your nose and mouth. Make sure you are washing your hands and using hand sanitizer.

Please follow all recommendations from the CDC and health department, as it is for your safety.

Please stay safe!!

In Solidarity,
Trina Wynn
