FROM THE EAST

Worshipful Christopher B. West, PM

2019 is off to a rip-roaring start.

In January we held our 2nd Annual Blue Horseshow “Pig in a Pit” BBQ Fundraiser, smoking underground for 24hrs just under 400lbs of meat. While our first ever event Blue Horseshoe in 2018 was a social success, our 2nd Blue Horseshoe here in 2019 was both a social and financial success. All in all we cleared about \$700 in profits from this great event. Fun was had by more than

70 Brothers and guests. The weather was beautiful, live entertainment was fantastic, and the meat was oh-so tender! If you’ve not made it to this event the previous two years, well, you’re in luck because it’s coming back a third time in 2020. Stay tuned for an announcement sometime this Fall.

Our SW Mat Brassard lead a spectacular Masonic Education event hosted at Phoenicia on January 29th. He gave an in-depth review of Roberts Rules of Order to more than 20 Brothers and Guests. Not only informative, but a ton of fun, Brother Brassard went over the six (6) parts to any motion;

- 1.) Motion
- 2.) 2nd of the Motion
- 3.) Recognize the Motion (Chair restates the Motion)
- 4.) Discussion
- 5.) Resolution / Vote (Chair states outcome of Motion to Secretary)
- 6.) Appeal

We have another Masonic Education event, open to the public, scheduled on March 26th. I’d like to end my article on a more solemn note. This past month we lost a Brother who was near and dear to us all, Worshipful Brother Chester Hinson, who was an outstanding member of Phoenicia for 56 years, a Past Master in 1980 and 1981, and the recipient of our Lodges first ever “Robert Taber Lifetime Dedication Award”, which has now been renamed to the “Taber-Hinson Lifetime Dedication Award.” While I only knew WB Chester for four years, he, and other current WB’s in our Lodge, had – and will continue to have, a profound impact on my own Masonic experience.

At Phoenicia we are extremely lucky to have some ‘Senior’ WB’s like Chester, Phil Zeilinger, and Howard Ward. These Brothers offer us each a brief glimpse into what we can only hope is our own Masonic future(s). They’ve set a high standard and continue to show us what it truly means to be both men and a Freemason. Daily, I’m reminded of my own rude and imperfect state by nature. I joined Freemasonry because I’m a decent man who wants to become a better man. WB’s Hinson, Zeilinger and Ward – ARE great men. They’ve achieved that masonic goal. They’re proof that having that steadfast attachment to this institution works exactly as advertised. Their lives have been shaped by the masonic experience, they are true Freemasons, as close to that “state of perfection at which we one day hope to arrive by a virtuous

WB Chester will surely be missed, but knowing our revered Brother, he’d want us to keep our focus forward on making Phoenicia great for all those that will come after him – and after even us who are reading this Trestle board have long passed on to that unknown world.

FROM THE SOUTH

Brother Steve Dilda - Jr. Warden

I am SO proud of Phoenicia Lodge #58 for pulling together on such a great event:

Blue Horseshoe 2019. Simply amazing!!!! We DID it with the true Phoenicia attitude: with style and class.

Thank you all for such a great showing. And we made money.

And, yes, we learned from our mistake and took the high-road to recovery, including a candidate who spent his own money at the last minute.

We had a great post-mortum meeting with plans to make it bigger (slightly) and better next year.

So many things fell into place, usually at the last minute, making

me proud of everybody.

To quote Eleanor Roosevelt "Learn from the mistakes of others. You can't live long enough to make them all yourself." So Don't do what that guy did.

I, personally, learned a lot that weekend and the preceding week that taught me more about my attitude. I learned to see those stressful situations as challenges and opportunities and not as insoluble problems, especially when you seek the aid and assistance of a fellow brother. And, that happened more than a few times.

I have so much to learn in the coming years with Phoenicia #58, and I'm excited to seek the counsel of my brethren.

I'm enthusiastic about life and all that it brings, remembering that life is an adventure. Stay focused on your goals, and keep the motivation going.

Thank you all for the opportunities to serve you in the South.

FROM THE EDITOR

Brethren, in an effort to save lodge funds, postal printouts will be black and white. And on that note, brothers who are receiving the snail mail. If you have an email address, we can move you to electronic copies, just email to secretary@phoenicia58.org and he will add you to the list. This will save enormous amounts of time, energy, and save the lodge expenses to put to more charity work.

Sincerely and Fraternally, Bryon Howe,

EDUCATION ARTICLES

FROM A BROTHER

WB Thomas Burke

Why Should Phoenicia Lodge #58 Guard its West Gate?

Serving as the Junior Deacon this year and stationed in the West near the Senior Warden, I have often thought about what role this office serves the lodge. Attending alarms at the door usually refers to carrying out the will and pleasure of the Worshipful Master in whether to admit a brother seeking entry to the lodge. "Seeking entry to the lodge"...well, is this entry to the lodge room, or entry to the fraternity?

Actually, it is both. Guarding the West Gate is not just the physical barrier of the door. It is also that immaterial barrier we must guard to prevent entry to our fraternity of those who do not meet our qualifications. From our ritual, we know certainly that we admit only men. Of these men, several groups are excluded. One group is atheists. How can someone take an oath if they do not believe in a Supreme Being? Think about it. There are others excluded, and for good reason. Imagine trying to conduct ritual with young men who are not able to provide the necessary concentration and attention that is due.

Freemasonry is something we cherish for several reasons. Our organization is rich with rules, regulations, standards, customs, rituals, and traditions. This is indeed part of our treasure. Why would we not guard our treasure? How can any of us justify taking a lax approach to guarding something so important, nay, sacred, to ourselves and our brothers?

Guarding the West Gate of Phoenicia Lodge #58 is not solely the job of the Tyler. No, this job falls to all of us in the fraternity. From the moment someone knocks on our door, we should all take due notice to guard our treasure. Who is this person? What happens if they submit a Petition to receive the degrees of Freemasonry? How can we know we can recommend them for entry into our honorable institution?

The Worshipful Master should appoint worthy brothers to an Investigation Committee who will meet with the petitioner. These brothers should look into as many aspects of the petitioner as they need in order to make an informed recommendation. Specific points for investigation may include:

- Reviewing the petitioner's social media accounts to find clues to their character
- Searching public records that may be related to the petitioner, including basic web search
- Reviewing public records for any criminal activities
- Arranging a meeting with the petitioner in their home to see if it is in order
- Speaking with their spouse to ensure they are aware and supportive of the petitioner's request
- Discussing obligations of Freemasonry including time, dues, commitments
- Contacting character and masonic references, and speaking at length about their recommendation of the petitioner

The Investigation Committee is a critical part of a lodge. The brothers serving on an Investigation Committee are often the first formal communication from the lodge to the petitioner. As such, those serving should consider it an honor to represent the Worshipful Master and their brothers in meeting with the petitioner. You are the face of Freemasonry, and Phoenicia Lodge #58 in particular, to this petitioner. Represent our institution well, my brother.

The officers of Phoenicia Lodge No. 58 express their gratitude to all the brethren who have served the Lodge as Masters and who continue to serve as Past Masters. They who have gone before us have laid the foundation and the lower stories of the speculative building that we call "Phoenicia Lodge" for which we are indebted. We especially thank those Past Masters who continue to serve the Lodge that we may ever continue to build a magnificent edifice, in service to mankind and to the Great Architect who has given us every good and great thing and whose forgiveness we all rely upon.
