FROM THE EAST

Worshipful Christopher B. West, PM

Brethren –

Summer has arrived, and like the warmer temps, Lodge activity (at least at Phoenicia) is only heating up! While so many other Lodges across Arizona are taking a vacation for a few months, the Brothers of Phoenicia are just getting started.

I am VERY excited about to share with you that we raised not one, but two(!) new Entered Apprentice Masons in the past quarter. The Lodge did an absolutely phenomenal job in

delivering both degrees. A big thank to WB Tom Burke who lead the charge in the East as Acting WM, our SW Mat Brassard who (as usual) gave an absolutely perfect lecture – both times, and to our JS Shane Charles who got his Degree Team feet wet by delivering a beautiful Apron Lecture. Combined, the Lodge was beyond impressive.

The Lodge is now practicing and perfecting our work on the 2nd Degree in hopes of Passing off both these fine EA's to the Degree of FC sometime later this summer. And to add some sizzle to these two FC degrees, we're featuring two of Phoenicia's finest members in the East as Acting WM; WB Phil Zeilinger (PM, 1990, 1991) and WB Jeff Hinson (PM, 2011). Stay tuned for FC Degree dates.

The Lodge had a great time this past month attending the Annual Grand Communication, this year held in Tucson. Eight Brothers from Phoenicia proudly represented your Lodge over the weekend. Great fellowship was had and memories were made.....and as has come to be a tradition at Grand Communication, banners were 'borrowed'. In similar news, Scottsdale 43 will be visiting us at our September 9th Stated Meeting (somehow their banner ended up in our closet).

Speaking of Official Lodge visits, eight Brothers of Phoenicia attended an EA Degree held Downtown at Ascension Lodge #89. Here's a little math for you; 78 Brothers + 1 Grand Master + 100 candles + 1 EA candidate + Downtown Lodge #2 = an absolutely incredddiibbblee Masonic experience. WB Tony Hernandez has been telling the Brothers of Ascension did some pretty cool things and boy was he right. Upcoming in August our buddies over at Wayfarers Lodge #50 will be visiting us at our August 13th Stated Meeting. A special thanks to WM Steve Liguori for helping set that up. Phoenicia will also be traveling down to see the Brethren of Gila Valley #9 WBs Roger Biede and Ryan Kann (KANNNN!) in September. Stay tuned for details.

Someone told me at Grand Communication that Phoenicia 58 does a lot of fundraising. I'm not sure "a lot" really sums up exactly how much fundraising we really do. We're on a role, BUT – we're just getting started and still have a long way to go. We're in the midst of one of our best ROJO Season's to date (thank you Garth Brooks) and on pace to haul in just about double our seasonal average. {C'mon Rolling Stones!}

We've also completed our first (of two) George Washington Whiskey Raffles. Our very own WB Tom Burke won the first raffled bottled! Congrats WB Tom! Round Two of the GW Whiskey Raffle is officially off and running – so do your part to sell, sell, sell as many tickets as you can so we can (fingers crossed) add some much-needed funds to the Lodge coffers.

Have you ever dreamed of owning a custom built, reproduction 1963, Masonic-themed Telecaster Electric Guitar? Of course, you have. Well your dreams have come true, Brother, because we have an absolute gem of one that we're now raffling off. \$20/ticket. Custom built. Custom painted. Head to the Lodge website and purchase your ticketS (plural) now before their all gone.

ONLY 200 are going to be sold.

Note: The Lodge Secretary is constantly trying to ensure that we have the most accurate information for each member. But if you move, or get a new phone # or email, please contact him so we can update our database!

Finally, we're down to the final 9 (the FINAL NINE!) Mr. Dogtown himself, Wes Humpston Masonic Skateboard Decks! Grab one of these remaining limited-edition masterpieces now on our website for \$100. (THE FINAL NINE!).

If all goes well, we'll be in a good spot later this year to replace/repair some of the Lodge assets and put some money in our Lodge savings. Thank YOU for all the work that you're putting in to making this Lodge the success that it is – financially and fraternally!

I'll end on this note; if you're a Brother of Phoenicia who hasn't been able to make it out to a State Meeting in quite some time, NOW is a great time to come back in for a visit. We certainly miss you and hope that your life, health, family, and career are all in a great place!

FROM THE WEST

Brother Mathew Brassard - Sr. Warden

What is it to guard the West Gate? We are told, as entered apprentices, and as Masters, that we should never recommend a man to a participation in our degrees unless we feel that by a similar fidelity he would bring honor and respect to our ancient and honorable fraternity.

For the past few years, decades even, the fraternity seems to have shirked that duty, or taken it less... seriously than in times past. There have even been grand lodges that have instituted one day conferrals, where a profane might be taken, through watching the performance of some plays, to the 32nd degree in a single day.

This seems to have come about through a series of slow changes, each seemingly innocuous on its own, but as usual, taken in concert, have reduced our vigilance. Then there is the concern for the decreasing numbers, which seems to have been taken as a justification for allowing quantity rather than quality through the gates.

The purpose of Freemasonry was never to admit every man into the fraternity! The purpose was to take men who were already upstanding, good men, and through the principles of the fraternity, make them in to better men. It was never to take every man and reform them into adequate men... yet in the name of numbers, we seem to have lost sight of that goal.

FROM THE SOUTH

Brother Steve Dilda - Jr. Warden

Greetings, from the South Gate,

What a beautiful degree Brothers Tony Rossi and Miguel Vargas received from a very impressive degree team. Well done, brethren.

Just before the candidate's circumambulation, I whispered to a visiting DDGM that this scripture did not make sense to me. Then, why do we use it? So, I delved, and to my delight and further enlightenment, here is what I learned and understand:

Behold how good and pleasant it is for brethren to dwell together in unity. It is like the precious ointment upon the head that ran down upon the beard, even Aaron's beard, that went down to the skirts of his garments..... and so forth.

To dwell together in unity.... the happiness of brotherly love, promoting each other's welfare with mutual services.

What ointment? And, why was ointment poured on his head?

In Hebrew the meaning of the name Aaron is: Lofty; exalted; high mountain. Biblically, Aaron was Moses' older brother (and keeper by God's command). He was first high priest of the Israelites, remembered for the miraculous blossoming of his staff or rod. Even the Quran contains numerous references to Aaron, as a prophet of God, saying that both Moses and Aaron were entrusted to establish places of dwelling for the Israelites in Egypt, and to convert those houses into places of worship for God (Quran 10:87). The Quran repeatedly calls Aaron a "believing servant," as well as one who is "guided" and one of the "victors."

Because Moses complained that he could not speak well, God appointed Moses and Aaron "prophets" (Exodus 4:10-17; 7:1) where Aaron served as his younger brother's spokesperson. Part of the Law (Torah) that Moses received from God at Sinai granted Aaron the priesthood for himself and his male descendants, and he became the High Priest of the Israelites. The Gospel of Luke records that John The Baptist is a descendent of Aaron.

The Jewish rabbis particularly praise the brotherly sentiment between Aaron and Moses. When Moses was appointed ruler and Aaron high priest, neither betrayed any jealousy; instead they rejoiced in each other's greatness. When Moses, at first, declined to go to Pharaoh, saying: "O my Lord, send, I pray, by the hand of him whom you will send" (Exodus 4:13), he was unwilling to deprive Aaron of the high position the latter had held for so many years; but the Lord reassured him, saying: "Behold, when he sees you, he will be glad in his heart" Indeed, Aaron was to find his reward, for that heart which had leaped with joy over his younger brother's rise to glory, greater than his, which were to "be upon Aaron's heart when he goeth in before the Lord". Moses and Aaron met in gladness of heart, kissing each other as true brothers, and of them it is written: "Behold how good and how pleasant [it is] for brethren to dwell together in unity!" (Psalm 133:1). Of them it is said: "Mercy and truth are met together; righteousness and peace have kissed [each other]," for Moses stood for righteousness (Deuteronomy 33:21) and Aaron for peace (Malachi 2:6). And we, as brethren, should dwell together in unity and brotherly love, righteousness and peace.

When Moses poured the oil of anointment (scented with myrrh, cinnamon, cane and cassia, a recipe from God) upon Aaron's head, Aaron modestly shrank back and said: "Who knows whether I have not cast some blemish upon this sacred oil so as to forfeit this high office." Then the Shekinah spoke the words: "Behold the precious ointment upon the head, that ran down upon the beard of Aaron, that even went down to the skirts of his garment (representing God's overflowing, plentiful blessings), is as pure as the dew of Hermon" (Psalm 133:2-3). Mt. Hermon is the highest peak (9000 ft) in Israel and receives more moisture than Mt. Zion, making it more lush and pure. Without that dew, Mt. Hermon and Mt. Zion would be as dry and dusty as the desert below them. The dew symbolizes what is refreshing and invigorating...a fitting symbol of the Lord's blessings.

And, that, my brethren, gave me a whole new enlightenment to the Chaplain's scripture reading during the candidates' circumambulation.

Faternally,

Bro. Steve Dilda, JW

FROM THE EDITOR

Brethren, in an effort to save lodge funds, postal printouts will be black and white. And on that note, brothers who are receiving the snail mail. If you have an email address, we can move you to electronic copies, just email to secretary@phoenicia58.org and he will add you to the list. This will save enormous amounts of time, energy, and save the lodge expenses to put to more charity work.

What does your secretary do for you... well, take note:

Secretary duties over the summer when he's not winning the bowling tournaments.

June,

Our Farmers Insurance policy is due in June. It should be paid immediately on receipt. I recommend that you use the Lodge Debit card to do it.

Upon payment being completed, you will need to send out copies of our current certificate of insurance to:

Grand Lodge of Arizona: Request that they be named as an "additional insured". – Note: Amber's office may take care of this automatically, but it does not hurt to confirm.

PVST #29: Request that they be named as an "additional insured".

ROJO Hospitality Group as an "additional insured".

Send to Grand Lodge the monthly Form 14.

July,

You the Secretary must give a report at the June or July stated meeting on the current number of members and candidates (and their progression). The format will be something like this example: "We have 41 members in good standing, 1 MM working on his proficiency, 17 PLMs, 2 SLMs, 2 Reg 19s for a total of 63 members. We also have 2 EAs and 2 FCs working on proficiencies." There is a report in the database where you can get this summary information.

You must also report on dues received for the current year and a summary report on any brothers who are delinquent, how far in arrears they may be, and whether or not you have had any contact with them. I strongly recommend that you do not mention these brother's names in the minutes. For example, you could say: "We have 41 dues paying members in the Lodge, of which 37 are current and 4 are delinquent. Of the delinquent brothers, I have contacted all of them, 2 have committed to getting their dues current in the next couple of months." There is a report in the database for this purpose.

You should be prepared to report on Candidate proficiency progress.

"FELLOWSHIP

We come to Masonry in many ways. It may be through our family, a friend, a desire to be a part of something or even simple curiosity. If we stay active in Masonry and progress on our Masonic journey, we learn many things. Some become more important to us than others. In the end however, there is one thing more than any other that keeps us active in Masonry. This attribute of our society is not dependent upon whether we go "up through the line", whether we gain high Masonic honors, are a toiler in the vineyards, or a perennial sideliner. What is this one attribute that rises above all the other gifts that Masonry bestows upon us? It is Fellowship. But what, really, is fellowship?

The word fellowship comes from the Greek word koinonia, which could be translated "fellowship," "partnership," or "communion." And it even could be translated "to be generous." So this word koinonia encompasses all those ideas. It is far more than socializing. It is where people get together to talk about the things of God.

The things of God? Religion is one of the topics expressly forbidden in discussion in Lodge. Yet, although Masonry is not a religion, it is essentially religious. We preface our meals by asking God's blessing upon the food and upon the people there assembled. We open our Lodges, whether for business or Work, with prayer. We close with prayer that we may keep out of the Lodge those values we learn in our Lodges.

So, Fellowship is praying together. It is serving together. It is giving together. We look around and see that it is aging together. These are the fibers of fellowship. Fellowship with God and with His people go together. And if you find yourself out of fellowship with God, you will soon find yourself out of fellowship with other people, including your Brothers in Lodge, as well.

AFFILIATED PAST MASTERS

The officers of Phoenicia Lodge No. 58 express their gratitude to all the brethren who have served the Lodge as Masters and who continue to serve as Past Masters. They who have gone before us have laid the foundation and the lower stories of the speculative building that we call "Phoenicia Lodge" for which we are indebted. We especially thank those Past Masters who continue to serve the Lodge that we may ever continue to build a magnificent edifice, in service to mankind and to the Great Architect who has given us every good and great thing and whose forgiveness we all rely upon.

MASONIC YOUTH SUPPORT

VALLEY OF THE SUN DEMOLAY CHAPTER ACTIVITY UPDATE

Hello Brothers,

This Month in DeMolay, we are happy to share that we held our first opening and closing meeting in a while. Our new members performed ritual very well and with little notice. Valley of the Sun members travelled to Glendale Chapter for a visit and also Wayfarers Lodge 50 to serve the Masons dinner. There are great things on the horizon, and we have many ideas to help get VotS engaged with our sponsoring orders. We will be reaching out soon for some of these plans. Next month we will be attending the best event of the year in Prescott, its time for Convention. We appreciate all the support and look forward to seeing you in the future.

DeMolay is a Masonic youth organization for young men. To be eligible to join DeMolay, three simple requirements need to be met by the applicant:

- + You are a young man between the ages of 12 and 21;
- + You are of good moral character; and,
- + And you believe in a supreme being (all religions welcome).

DeMolay Chapters confer two degrees for membership. The members engage in a variety of service and fun activities. Service events include working with adult Masonic groups and working in local community charity events. DeMolay members enjoy social activities with members of locally Masonic sponsored Rainbow Girl Assemblies and Job's Daughter Bethels, as well as recreational events involving sports and electronic game challenges. The Chapter events and meetings are planned and run by the youth Chapter officers with guidance from the Dad Advisor.

Valley of the Sun DeMolay Chapter regularly meets on the 1 st and 3 rd Sundays of the month at 4:00 PM at the Sun City Masonic Center. Currently, the following local Master Masons serve on the Valley of the Sun Chapter Advisory Council: Bryon Howe; Matt Link; Dave Lowry; Dave Miller; Craig Montgomery; and David Zaucha.

For further information about becoming a member of DeMolay or how to become a member of the Advisory Council contact Dave Zaucha at 623.236.6307 or VOTS.Chair@azdemolay.org.
