Despite No Meetings, Local Freemasons Service to Community Not Interrupted

Members of Phoenicia Masonic Lodge #58 in Phoenix donate \$2,000 to Campo Bello Elementary School to pay off student lunch debt.

Even though the Coronavirus (COVID-19) outbreak is prohibiting the Brothers of Phoenicia Lodge #58 F&AM from holding their monthly Stated Meetings and weekly activities, the Lodge is still serving the Phoenix community. The Lodge joined together via phone, email, and video meetings to approve a \$2,000 donation towards paying off the lunch debt of students at Campo Bello Elementary School, a Title-1 school located in northeast Phoenix.

Campo Bello is proud to have a 53-year tradition as one of the oldest elementary schools in the Paradise Valley School District, with several generations of Campo Bello students and families whose children attend Campo Bello today. Campo Bello is a Title I school that has earned an "A" rating two years in a row from the State of Arizona and was runner up as Title I Distinguished School of the Year for Arizona last year.

Phoenicia Lodge #58 F&AM was founded in 1960 in Scottsdale, later moving to northeast Phoenix in the early 2000's. For over 20 years they have 'adopted' the students and teachers at Campo Bello Elementary School as one of their major volunteer and community giving projects. Each Fall and Spring, the "Brothers" (Lodge Members) of Phoenicia donate new bicycles to students who read and give book reports, host appreciation BBQ's for the teachers on Parent-Teacher Conference Nights, and donate chrome book computers to the school as part of their "Working Tools for Students" Program.

"This is but another wonderful example of how Freemasonry demonstrates those three important values we espouse: faith, hope, and charity, and our commitment to the safety and betterment of our community. In these times this donation is particularly meaningful for those who have been thrown into a situation of financial and economic uncertainty. I could not be prouder of our Lodge rising to this moment," stated Christopher West, 2020 Worshipful Master (President) of Phoenicia Lodge #58.

Jerry Withers, Principal at Campo Bello Elementary School shared: *"In one of our most historical times of need they have again reached out to support our Campo Bello community. They have made a generous contribution to our students and community to help provide for our most vulnerable students and their families. On behalf of the students, families, staff, and myself I want to thank the Brothers of Phoenicia #58 for your continued support, service, and dedication to improving the lives of our school community."*

FROM THE EAST

Worshipful Christopher B. West, PM

Greetings from the East,

What a crazy two months it has been! I hope this trestle board finds you all healthy and safe. As mentioned on Page 1 of this publication, if you are reading this and you need ANYTHING, please do not hesitate to reach out to myself or our Lodge Secretary.

What have you missed at Lodge these past two months? Well, not much. Per the Governors Order as well as MWGM Greg Vasquez's Order, no Lodges – and no groups at all for that matter – of more than just a few people have been able to meet at all. While we cancelled our in-person April Stated Meeting, we did hold a "Virtual Stated" on the 2nd Tuesday of that month. We will be doing the same here in May, (and EVERY Tuesday in fact) holding another virtual Lodge Stated Meeting. On the other Tuesdays of the month we will be gathering just for 30-60 minutes to check in, see faces, and hear how everyone is doing. Please contact me or WB Brigandi by phone or email if you have not received the Zoom Meeting Weblink to our Tuesday gatherings.

It is hoped – NAY(!) it is presumed – that we will be back in live-action in June. As Arizona and other states begin to ease some of the restrictions on gatherings and social distancing guidelines, we will hopefully be permitted by the Governor and MWGM to resume our normal in-person meetings. However, let me be clear; if YOU do not yet feel comfortable going out in public and meeting in large groups, you do NOT need to attend Lodge activities. This is especially true for those Brothers who have chronic or pre-existing conditions or other health factors that put them in the category of "high risk". We do not want you coming to Lodge and raising the potential of you getting sick, so be patient and feel to wait a while longer until all the smoke has cleared. Your Lodge will be here when all this is said and done.

That said, given we are about 4-6 weeks out from gathering again, preparations for the return of meetings, degrees, and the like need to begin NOW! So if you are part of one of our three (3) Degree Teams, consider this your heads-up that I plan for us to hit the group in a full-on sprint to catch us back up and get this Lodge back on track on the calendar. This includes one, or possibly two, Saturday Degrees. We have a 1st Degree for Mr. Robert Fowler, a 2nd Degree for Brother Dave Pisani, and a 3rd Degree for Brother Miguel Vargas (in that order) needing to get done. We will hold one practice for each ahead of the Degree. I will send out a reminder email to those on these Degree Teams. It's go time!

Brethren – first and foremost, be safe. Continue to be diligent in washing those hands, wearing a protective mask, and taking additional precautions – especially you, our more Senior Members of the Lodge. If anyone needs anything, I'm just a phone call away.

Fraternaly,
Chris West
Worshipful Master 2019, 2020

FROM THE WEST

Brother Mathew Brassard - Sr. Warden

Greetings from the West,

Or as west as I can get writing this from the quarantine of my dining room table. It sure was great to see everyone via video chat for our first ever electronic stated meeting. It got me really thinking about how adversity can spawn innovation. Forbes put out an article titled "Why Coronavirus will stimulate Innovation", in it the writer refers to how the Black Plague, Small-pox and SARS lead to a modern society, free press and e-commerce. I personally left like it would be many years until Masonry would be at a spot where we even allow discussion on the pros and cons of an electronic stated meeting. Yet there I was on my back patio. Was it everything I thought it would be? Well no. I missed the ritual part of it like a fat kid misses chocolate cake. But it has me thinking about the strides that we can make in the very near future. Difficult times called for difficult decisions, but it also caused a lot of people to ask the vital question: "why not?" I am excited for what the opening of this door can mean. From mobility challenged members attending meetings virtually, to a fully virtual Blue Lodge, to every possibility in between. I even like the idea of being able to record a short video for a trestle board in lieu of writing an article *cough* hint *cough*. Our lodge had a great discussion about Grand Lodge bylaws and statutes right before the quarantine set in. I look forward to getting back together and talking about how we can make our Lodge and our Grand Lodge even better now that we have all had a healthy dose of "Why not?" thinking.

I hope article finds everyone healthy and safe. And lastly, the nursery is all set, the count down time to the tater tot is on overdrive, and Heather looks like she is carrying a watermelon. If the hospital does not want to induce early we are still set for June 18th. Thank you to all the brothers who have been checking up on us. Wish me luck.

Fraternally,

Mat Brassard
Senior Warden

FROM THE SOUTH

Brother Steve Dilda - Jr. Warden

Greetings from the South Gate,

Greetings brethren, from the South Gate,

I think it goes without saying that the last month has been THE biggest challenge any of us have ever experienced. I believe that we are on the back side of this, and we should all be proud that we are surviving and taking care of ourselves. and each other. Kudos!!!

As a good friend of mine recently said, “now is the time to clean your tools and sharpen your axe.” That spoke to me. And during our last virtual ‘Stated Meeting,’ our WM reminded us that when we come out of this tunnel, we need to hit the degrees hard. We have brethren waiting to start and continue their Masonic journey. I know it’s difficult in these times of isolation to sit quietly and work on our ritual, but that’s what makes us the Masons that we are. It will truly be a rewarding time to get back in the Lodge and continue our work.

Personally, my biggest challenge has been to stay off ‘social media.’ Unfortunately, that’s where I get most of my ‘news.’ And, for some, it is difficult to separate yourself from the hype and diversity coming through our new media. This makes me think about one of the questions in our application for Masonry where we are asked if we are a member of an organization to overthrow the government. Let us not slide toward that territory.

As Entered Apprentices, we learn to square our actions and circumscribed our passions. In order to be good citizens, we much restrain our passions, especially on social media, and live a moral life. Reasonable discourse is seriously lacking in today’s political arena. But, Masonry supersedes those party lines and political boundaries. Instead, as Masons, our willingness to view government policies objectively and engage in self-moderated understanding (outside the Lodge) can serve to promote a better understanding and harmony in a time of great political polarity, discontent and uncertainty.

To that, my brethren, I so look forward to seeing all of your faces in person, very soon.

Stay healthy, stay safe,

Steve Dilda, JW

FROM THE EDITOR

Brethren,

BE AWARE: Some brothers have received the below FAKE EMAIL claiming to be from the Worshipful Master (see below). This is the challenge of living in a free society. We publicize the names and contact information of our officers in order to better connect with our brotherhood. But there are those that would take advantage of that. Please be on the lookout and pay attention to things like: they emailed Chad and addressed him as Keith, the email address in the header (presidency).

Nothing to do now but remain vigilant and report any other scam emails if you come across them. I have notified the Grand Master, Grand Secretary, and looked up an "Abuse" email listed in their domain registry and reported it there as well.

Keith,

How are you, are you available to assist? I am out of the State now and I've got credence in you to take care of this. I would have called your phone, but I presently do not have access to my mobile phone.

Arizona Lodge No. 2 F. & A.M. needs some gift cards for donation to Veterans at Hospice and Palliative care units for preventive items from Corona Disease (COVID 19). I am liable for reimbursement. Need more info?

The officers of Phoenicia Lodge No. 58 express their gratitude to all the brethren who have served the Lodge as Masters and who continue to serve as Past Masters. They who have gone before us have laid the foundation and the lower stories of the speculative building that we call "Phoenicia Lodge" for which we are indebted. We especially thank those Past Masters who continue to serve the Lodge that we may ever continue to build a magnificent edifice, in service to mankind and to the Great Architect who has given us every good and great thing and whose forgiveness we all rely upon.
