DRESS CODE

The dress code for Phoenicia Lodge #58 will be professional casual for Stated Meetings. This means slacks, button-down collared shirt, dress shoes. No jeans, shorts, sandals or running shoes.

Tie and jacket are not required but are your choice. During the summer months, we will step back to Lodge pullovers instead of collared shirts.

Thank you.

WORSHIPFUL MASTER – STEVE DILDA

Greetings from the Oriental Chair, and

Happy 2022. I hope all have enjoyed a joyous, safe and festive holiday with family and loved ones.

First, and most importantly, THANK YOU all for putting your faith and trust in me to lead Phoenicia Lodge #58 for the next 12 months. It's both an honor and a pleasure to serve you, my brothers.

Who would have his Installation of Officers and three days late close his Lodge? Well, that's what happened.

In the few days following Installation, over half of the attendees came down with very nasty flu-like symptoms. This spread quickly and for our safety, the Lodge was closed for the next few weeks. Time and prayers heal all, and within two weeks almost everybody was healthy again.

That brought us to our first Officers Meeting and Audit. The audit was completed after almost two hours of 5 sets of eyes pouring through our finances for the year. Well done, brethren and thank you.

Our Lodge lost a tried, true and tested brother on Sunday, Dec 12, 2021. Brother Joseph Frank Konen has entered the Celestial Lodge above. His family are always in our prayers. His organs have been donated and have already saved several lives.

In our 2022 Term Plan, I promised more education at every Stated Meeting. And, I will be at the Lodge every Sunday evening for fellowship and ritual practice. This was a program that I started back in TN and it went over very well and I'm told that it is still going on today.

Fraternally,
Steve Dilda
Worshipful Master 2022

BRO. STEVE HOOPER – SR. WARDEN

Brethren,

Greetings from the west. As we begin a new Masonic year, we have our first stated meeting in the books. Over the last month we've definitely weathered a storm, brought to us in the form of a pretty nasty COVID outbreak transmitted at our installation.

Wages are deserved by all those who did some quick reorganizing and keeping track of the status' of the afflicted. Thankfully all are recovered and we're now back to normal.

Of course the lodge sends our deepest condolences to the Konen family for the tragic passing of our brother Joe. As always the brethren are eager to help in any way we can. This should be a lesson to us all in that we never know when someone's time will come. In all our relationships, we should endeavor to treat everyone with kindness and respect, as we may not get a chance to make amends should our passions stray beyond what we have circumscribed.

Last but not least, a hearty congratulations to our newest fully minted Master Mason Seth Ross, who passed off his third-degree proficiency after our December stated meeting.

Fraternally,

Steve Hooper
Senior Warden

BRO. REED HOUGE – JR. WARDEN

Hail brothers.

This is the first article I've written for our trestle board and thought I should cover two topics this time. The first is to give a little background on me since many of you are out of state and may want to know who this "New Guy" is.

The second is information regarding the duties of the Junior Warden. It is my hope that others find this information interesting and look to the AMC (Arizona Masonic Code) for other needs.

1) Who is this New Guy?

Reed Allan Houge (pronounced Hoagie like the sandwich only spelled different) and was Initiated, Passed, and Raised in Nelson AF&AM Masonic Lodge #135 located in Buffalo MN in 2013 where my wife (Marlys) and I had lived for 20 years. In 2015 we moved to Flagstaff Arizona to work at W. L. Gore as a Research and Development Engineer focusing on catheter design. While in Flagstaff I joined Flagstaff Lodge #7 and had the honor of serving as the Worshipful Master in 2019.

In March of 2020 W. L. Gore allowed me to move to New River AZ and work out of their PHX facility. I had had several positive interactions with Phoenicia Lodge #58 prior to moving and found you guys to be very welcoming and, most importantly, very active with masonic interactions with the community and other lodges. I petitioned for membership at #58 in that same year. Recently our Senior Deacon left the lodge and was truly honored to be asked by the brothers of #58 to again serve the craft as JW this year.

2) What are the duties of the Junior Warden?

I thought it best to review the Grand Lodge references, such as, the constitution and the installation ceremonies.

- Verbiage from the installation ceremony states:

"The Plumb - admonishes us to walk uprightly in our several stations, to hold the scale of justice in equal poise, to observe the just medium between intemperance and pleasure and to make our passions and prejudices coincide with the line of our duty. To you is committed the superintendence of the Craft during the hours of refreshment. It is therefore indispensably necessary that you should not only be temperate and discreet in the indulgence of your own inclinations but that you should carefully observe that none of the Craft be suffered to convert the means of refreshment into intemperance and

(WB, Reed Houge – Junior Warden, continued from Page 6)

excess. Your regular and punctual attendance is particularly requested and I have no doubt that you will faithfully execute the duty which you owe to your present appointments. Look well to the South!”

There are several references in the AMC (Arizona Masonic Code) referring to the duties of the Junior Warden and cut/pasted some below, again with hopes others will make themselves familiar to the AMC.

- Section 9-4.1 Duties of the Wardens.
If acts are brought to the attention of the Junior Warden of a Lodge showing any Mason, over whom his Lodge has jurisdiction, to be guilty of Un-Masonic conduct, and if, for a period of thirty (30) days following the bringing of such facts to the attention of the Junior Warden, no Master Mason in good standing shall have preferred charges against such Mason, then it shall become the official duty of such Junior Warden to prefer such charges. If the Junior Warden be the accused, it shall be the official duty of the Senior Warden to prefer such charges.
- Section 13-201 – Minimum Proficiency for Masters and Wardens.
Minimum proficiency in the work and lectures shall consist of the following: Constitution and Statutes page 96 of 151
(c) For the Junior Warden, the opening, closing and conferring of one degree.
- Section 17-301 – Felony Conviction of an Arizona Mason
(d) If such Mason shall elect to have such trial in said Lodge, it shall be the duty of the Junior Warden of such Lodge to prefer charges against such Mason based on the offense or offenses of which said Mason was so convicted in such Court. Proceedings shall thereafter be taken in the same manner as provided for other trials by the Constitution and Statutes of the Grand Lodge.
- Serve on reception committee for Grand Lodge Officers; Ceremony for the reception of the MWGM and Grand Lodge officers (Pages 134-137)

There are other duties which are not listed here and are specific to each individual lodge but it is hoped that this gives some of the other members interested in becoming a Junior Warden some foresight of what the duties are and requirements needed to be elected.

In the future I will try to target articles targeting other positions in the lodge and historic articles I’ve found over the years that others may find interesting.

For now, have a very Merry Christmas and a Happy New Year!

Fraternally,

WB Reed Houge
Junior Warden

Secrets of Masonry

Over a period of many years we have heard and read much about the secrets of Masonry, and it is still our opinion that they are, in themselves, of the least importance. These so called secrets are not the material of which the Grand Masonic Temple is built. They do not constitute any of the ancient landmarks of the Fraternity.

Masonry has no secrets which the world would deem important or care to know. The secrets of Masonry are nothing more than modes of recognition by which we know each other, by which we know a true Craftsman from an impostor, by which we prove ourselves worthy and well qualified, by which we show that we have visited the sacred places of the Fraternity, and have knelt at the altar of a common Father.

The fundamental facts of Masonry are not secret. Its principles are known; its objects are known; its members are known; its meeting places are known. Our ancient and honorable Craft has adopted the general principles of secrecy because a unity and harmony of labor can be better attained thereby.

As has been said by a great philosopher: "Bees will not work except in silence; neither will virtue work except in secrecy. Let not thy right hand know what thy left hand doest. Like other plants, virtue will not grow unless its roots be hidden from the sun. Let the sun shine on the roots, they wither and no flowers will delight thee."

THE RIDERS OF THE THIRD DEGREE

The Riders of the Third Degree are a Masonic Riders Association founded by two Brothers at Phoenixia 58 almost a decade ago.

Their plan was to promote Freemasonry from the seat of a motorcycle and, to serve their community through philanthropic endeavors. Their annual Toy Runs and Fundraisers bring toys to kids at Phoenix Children's Hospital. With the support of Phoenixia 58, Chrome Book computers are donated to deserving students at Campo Bello Elementary school through their "Working Tools for Students" program.

Since their founding, The Riders of the Third Degree have added a Chapter in Tucson. They too have annual toy drives for the Square and Compass Hospital in Tucson and do their own "Working Tools for Students" presentations in Tucson.

For more information on the Riders of the 3rd Degree, or to donate to our "Working Tools for Students" program, please contact us at: info@riders3.org

Fun Raiser PHOENICIA MASONIC LODGE #58

All Masonic Organizations are faced with the challenge of supporting their favorite charities and generating sufficient funds for the day-to-day operations of the Lodge. So why not have a little fun addressing this challenge? Historically the fundraisers follow the tried and somewhat tired path of selling raffle tickets, hosting dinners, holding Table Lodge meetings or participating in "for reward" community events. Everyone wins and the public opinions of the lodge are generally favorable. The returns are somewhat temporary which drives the lodge to move on to the next potential idea. Often what is missing is the brother's interaction for the good of the lodge. Too often it is only a few who support the needs of their affiliated lodge.

To address the specific needs and objectives of our Phoenixia Lodge, we are embarking on a different path, and building from the ground up. We are building security or concealed shelves. our stated objective is to support all masonic lodges who want to partner with us on a broad fundraiser with the potential of longer-term sustainable benefits.

Phoenicia Lodge # 58 is located in Phoenix , AZ. Lodge brothers have teamed together and we are building security shelves or boxes to order. We will provide flyers and within reason, schedule a lodge visit at your lodge for an opportunity for you to actually see the security shelves or boxes. And of course you are encouraged to visit our lodge as well. Our stated meetings are held on the second Tuesday of each month

Shelf or Box?

Shelf or box? The design is originally intended to mount to a wall as a shelf. Some customers prefer to keep the box on top of a cabinet, dresser or other piece of furniture; therefore, it becomes a security box. Either way , the contents are safe from the inquiring minds of children or other visitors.

Security

The security shelf is built using an RFID security lock. They come with a master RFID card, two additional cards and two key FOBS for you convenience. The locking mechanism is AAA battery operated and will require battery replacement as they lose power (estimated at 9 months), It is important to maintain the replacement cycle to avoid a "lock out" . The locking mechanism incorporated a low power alarm feature to alert you that the batteries will need to be changed.

Branding for your Lodge

The security shelf is built using high quality ¾ inch cabinetry plywood and pine trim boards. The top of the shelf can be laser engraved with the Masonic Square and Compass and your lodge number. Specialty art work is available on request; however, the art work will have to be approved prior to engraving, and may add a nominal cost.

How does your lodge participate in this fund raiser?

Your Obligation to this partnership is simple. We will provide you with flyers and order forms for your lodge members, family and friends. Your lodge will market, sell and collect the funds for the product, send the order forms to our lodger secretary with the funds collected, the orders will be scheduled with the fundraising chair for this project and the product will be built and delivered to your lodge for your orders. In turn, the lodge secretary will issue a warrant to reimburse the 50% net directly to your lodge. The estimated profit potential is \$100 for each unit sold by your lodge. You sell 10, you receive \$1000 for you participation.

How do we become a Fun Raiser Partner?

Simple, communicate with us. Contact us with you interest, and we will get the ball rolling.

IN MEMORIAM

BROTHER JOSEPH FRANK KONEN

The evergreen is an emblem of our enduring faith in immortality of our soul, by it we are reminded of our destiny beyond this world of mortal life and that we have within us an imperishable part which can never, never die, but our bodies are born to die and while the embers of mortality are faintly glimmering in the socket of their existence, the Holy Bible, that Great Light in Masonry, removes the dark shroud of doubt, draws aside the sable curtain of the tomb and bids hope and joy rise up to cheer and sustain the departed spirit. It points beyond the grave, to the resurrection morn and bids us turn our eyes with hope and confidence on the opening scenes of eternity.

Soft-and-safe to thee, Brother Joe, by thy earthly bed, bright and glorious be thy rising from it. Fragrant be the acacia sprig that here shall flourish. May their earliest buds of spring unfold their beauties over thy resting place and here may the sweetness of the last summer's rose linger longest. Though the cold winds of autumn lay them in the dust and for a time destroy the loveliness of their existence, yet the destruction is not final and in the springtime they shall surely bloom again. So, on the bright morning of the world's resurrection, though thy mortal frame by now lay in the dust by the chilling winds of death, thy spirit shall spring into newness of life and expand in immemorial beauty in realms beyond the skies until then, dear Brother. Until then – Farewell!

 ☞ - DECEASED

The officers of Phoenicia Lodge No. 58 express their gratitude to all the brethren who have served the Lodge as Masters and who continue to serve as Past Masters. They who have gone before us have laid the foundation and the lower stories of the speculative building that we call "Phoenicia Lodge" for which we are indebted. We especially thank those Past Masters who continue to serve the Lodge that we may ever continue to build a magnificent edifice, in service to mankind and to the Great Architect who has given us every good and great thing and whose forgiveness we all rely upon.
