Super Radiator Coils

Plate Fin & Wrapped Fin heat exchangers
AL, CU, CU-NI, Stainless & Carbon Steel
Water, Steam, Refrigerant, Thermal Fluids
CO₂, Propane, Ammonia
Tube OD range: 5mm – 1.25"

Heat Transfer Coils

www.superradiatorcoils.com

ASME U, UM, S, N, NPT
CRN, CE, CSA, ARI certified

Hayden Industrial

Standard & Custom Air Coolers
Air, Oil, Gas, Water, Glycol, Refrigerant
Engine cooling, lube oil, gas cooling, process
cooling, and water jacket coolers
Fans, drives, louvers, controls, gauges

Air Coolers

www.haydenindustrial.com

ASME U, UM; PED; CRN;
CE; NR-13; AS1210;
API 661 & 614 flush

Cataract Steel Industries

Custom Shell & Tube H/X's & Pressure Vessels
TEMA B, C, & R;
Shells: 6" – 144" dia x30 ft long;
Wall thickness: up to 2" thick

Shell & Tube Heat Exchangers

www.cataractsteel.com

ASME, CRN, API, China
Code, Russian Code

Kelvion PHE Systems

Plate Heat Exchangers

304 stainless steel plates

Brazed – copper & nickel brazed
Sizes from 3x8 to 15x34

Plate Heat Exchangers

<http://www.kelvion.com/products/plate-heat-exchangers/>

ASME U & UM, UL, PED (CE),
Russian EAC, China Code

Indusair

AL/CU Coils
AL/AL Coils
I-Coat protective coating
Tube OD Range: 5mm to 0.5"

Heat Transfer Coils

www.indusair.com

Located in Dubai, UAE
High Volume
Warehousing: Norfolk, VA &
Denver, CO

Evapco-Alcoil

Custom and stock condensers,
evaporators, and fluid heat exchangers.
Vertical tube design
Built-in refrigerant receiver
Horizontal micro-condensers

Microchannel Heat Exchangers

www.evapco-alcoil.com

1.25" or 0.83" tube design
10, 16, 24 fins per inch
R401a, R134a, R407C, R404a

Spinco Metal Products

Tube bending, End forming, Brazing
Serpentines, multi-planers, headers
Distributors, Driers, Strainers
Custom tube assemblies

Fabricated Tube, Spun Copper and Machined Parts

www.spincometal.com

Small & Large OD tubing
Copper, Aluminum, Brass, Various
Steels, Cu-Ni, Nickel

Great Dane Powder Coating

Approved / Licensed Applicator of E-Coat
protective coatings and UV top coating.

Applied Coating
