The Hirer waives any right it may have had under section 275(7)(c) of the PPS Law to authorize disclosure of that information. The Hirer must do everything necessary on its part to ensure that section 275(6) (a) of the PPS Law continues to apply. The agreement in this sub-clause is made solely for the purpose of allowing to HHS the benefit of section 275(6)(a) and HHS shall not be liable to pay damages or any other compensation or be subject to injunction in respect of any actual or threatened breach of this sub-clause.
- 10.9. The Hirer must not dispose or purport to dispose of, or create or purport to create or permit to be created any ‘security interest’ (as defined in PPS Law) in the Plant or register a financing statement in relation to the equipment other than with the express written consent of HHS. The Hirer must not lease, hire, bail or give possession (‘sub-hire’) of the Plant to anyone else unless HHS (in its absolute discretion) first consents in writing. Any such sub-hire must be in writing in a form acceptable to HHS and must be expressed to be subject to the rights of HHS under this agreement. Hirer may not vary sub-hire without the prior written consent of HHS (which may be withheld in its absolute discretion).

HHS may recover from Hirer the cost of doing anything under this clause 10, including registration fees.
- 10.13. The Hirer must notify HHS of any change in change in writing of the Hirer’s details set out in the Application for Credit.
- 10.14. For the purposes of section 20(2) of the PPS Law, the collateral is the Plant set out in any quote and or Master Hire Agreement. The quote or Master Hire Agreement is the security agreement for the purposes of the PPS Law.
