## **Messaging Privacy Policy & Terms**

---

### **Privacy Policy**

This messaging system is used to send operational alerts, task updates, and direct responses based on user interaction.

We collect and use the following information:

- Phone number (for SMS communication only)

How information is used:

- To send system notifications, alerts, and responses
- To support two-way communication between the system and the user

Data sharing:

- No personal information is shared, sold, or distributed to third parties
- Information is not used for marketing purposes

Data security:

- Information is stored only as needed to support system functionality
- Reasonable safeguards are in place to prevent unauthorized access

User control:

Detail Direct LLC.

- You may opt out of receiving messages at any time by replying STOP
- For assistance, reply HELP

---

### **Terms & Conditions**

This messaging service provides operational alerts, task updates, and system-generated notifications based on user interaction.

Program description:

- This service allows a user to send and receive messages with a system agent for task execution, status updates, and alerts.

Message frequency:

- Message frequency varies depending on system activity and user requests.

Costs:

- Message and data rates may apply depending on your mobile carrier.

User support:

- For assistance, reply HELP

Opt-out instructions:

- You can opt out of receiving messages at any time by replying STOP

Detail Direct LLC.

Scope:

- This service is intended for direct communication between the system and the user and is not used for marketing or promotional messaging.
