

Ordering BCBS:

Ordering Enrollment Books and Agent Tool for 2027: As with prior years, we opened up our online ordering site on September 1st so that you could go to the Custom Point Ordering Website and place a “pre-order” for your 2027 Enrollment Books and 2027 Agent Tool (the spiral bound glossy flip chart with all of our available plans with benefits/maps/explanation of supplemental benefits). If you haven’t done so already, please log into your BCBSNC Agent Portal, select the “Advertising Materials” link on the left of your home page, then scroll down to the link titled “**Custom Point Brochure Ordering Website**”. The login credentials are MAADVANTAGE, BCBSNC123, BCBSNC”. Once logged in, click on “Shop By Catalog”, then select “Medicare Advantage”. From there scroll down past the 2026 materials to find the **2027** materials. Place your order and it will be delivered to you via UPS 2 day mail.

Ordering Alignment- Our rep Nick can mail out supplies when it becomes available, he will be bringing supplies to my office and he will be having meetups at local places where you can stop by and get some supplies. He will email that info out in the near future as that starts to happen.
