Medicare Coverage Options Flowchart

There are two common ways to get your Medicare coverage: Original Medicare or Medicare Advantage. This chart shows the typical steps for each.

Medicare Supplement (Medigap)

Because Original Medicare covers 80% of your covered costs, a Medigap policy can help you manage your health expenses.

Medigap policies:

- Can cover deductibles, co-pays and coinsurance
- Let you see any doctor in the U.S. who accepts Medicare
- Are standardized and offer guaranteed renewal
- Have premiums that vary by policy and insurance company
