Padre Luchador - Light Mexican Lager

Unmask our lightly hopped and refreshing twist on a Mexican Lager. Made with barley, rice, corn malt, Chinook and Hallertau hops.

Wall - IPA

A traditional IPA with rich malt, big on Cascade and Citra hops, and dark like the Northern waters where the elusive Walleye often strike.

The Wild - Blueberry Wheat

For the hipster in us all, showcasing subtle blueberry flavor - a Northern Ontario treat. Brewed with wheat, malt, cascade hops, and blueberries.

Teddy loves his Pilsner

Our unique take on a classic Czech style Pilsner. A slight, bread-like malt flavour, with some hop bitterness.

Cumberland Light

Brewed with a light American lager in mind. This is likely our easiest drinking, most refreshing, light lager to date. A great summer beer.
