Our record of reliability & precision inspection services has allowed our company to secure clients globally who regularly conduct business in Canada.

RLS Quality Inspection Services
a Division of RLS Resource Management Inc.

Our Team

Our inspection staff specialize in resolving quality issues for our Customers through control, selection, containment and rework at all stages of our Customers processes.

We take full responsibility for the work performed by our trained inspectors. This has an important influence on the increase of quality of our offered services. This helps to reduce the unexpected costs associated with our customers "client" complaints.

COMPANY VALUES

We believe that integrity, confidentiality, independence, transparency and impartiality are important conditions for being a 3rd party inspection company and strategic business partner.

Integrity

We believe in building a trusting relationship with all our stakeholders. We are confident in our ability to be fair & respectful. To do what we promise, act responsibly, conduct business fairly and ethically because we want your business now, and far into the future.

Value

With competitive rates and first class service, we'll give you the best value for all your quality needs.

Customer Service

We work hard every day for our clients to make RLS Quality Inspection Services their preferred strategic quality inspection partner.
