

# Leading a Stretching Break

## Instructions for Leading a Stretching Break

Read the information below, and then select a few stretches from the back page to do for about 5-10 minutes. One person should demonstrate a modified version of stretches when applicable and possible.

## Introduction & Benefits of Stretching

*"Stretching is great way to get in some light physical activity. We know that just breaking up our bouts of sitting has health benefits".*

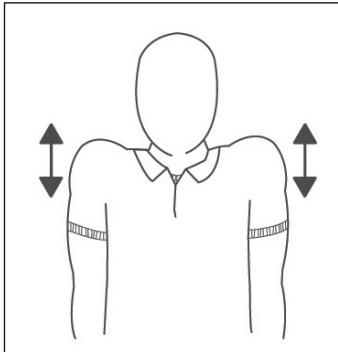

## Safety First!!

*"There are some tips to follow to make sure you are stretching safely.*

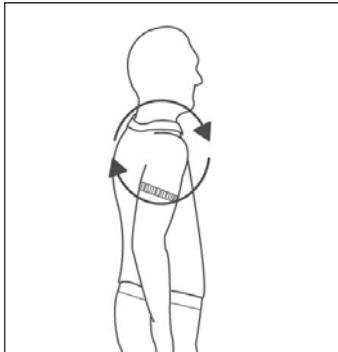

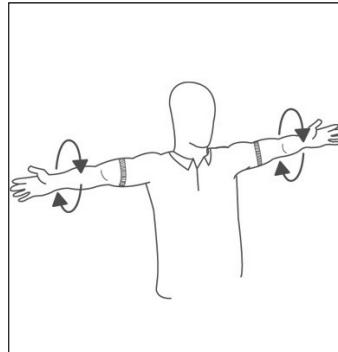

- *Begin by warming up your muscles.*
- *Stretch at your own pace.*
- *Do each stretch slowly and smoothly. Do not bounce!*
- *Stretch to the point of comfortable tension, then relax and hold the stretch.*
- *Hold the stretch for 10 to 20 seconds.*
- *If a stretch causes pain in joint area, stop stretching and make sure your technique is correct.*
- *Try to repeat each stretch (do two sets). This will increase your flexibility.*
- *Stretch as needed throughout the day, especially if you feel your muscles tighten up."*

Flip the page to see a list of suggested stretches that can be done anywhere!
