

July Newsletter

We held our First Spring/Summer Club pick up party in June and it was a huge success. We are so thankful for our amazing club members for making it an event to remember! Our daughter built a 7 foot long grazing table and the wine was wonderful. We enjoyed an afternoon on the deck overlooking the vineyard while enjoying conversation with new and old friends. If you have been wanting to join the club and get discounted wine, please reach out. We would love to have you. Our next club party will be in the fall!

Estate Bubbly - Aurielle

Our Estate bubbly is our best seller! We have already sold over half of our Aurielle. Purchase your bottle today! We offer local pickup and delivery in the Newberg/Sherwood area.

2025 was our first harvest from Marr Estates Vineyard that was handplanted by 3 generations of our family in 2021.

This vineyard holds a special place in our hearts with blood sweat and tears to make it what it is today. We wanted to make our first vintage extra special.

Crafted from our Pinot Noir and Chardonnay, this wine captures the golden beauty of our vineyard's elevation and the celebration of light, legacy, and land.

Vineyard Update

The Vineyard is looking amazing. We are loving the sunsets over the vineyard this time of year. The baby deer have been out and enjoying the property. Check out a fun baby deer zoomies video on our Facebook or Instagram page.
