Estate Bubbly - Aurielle

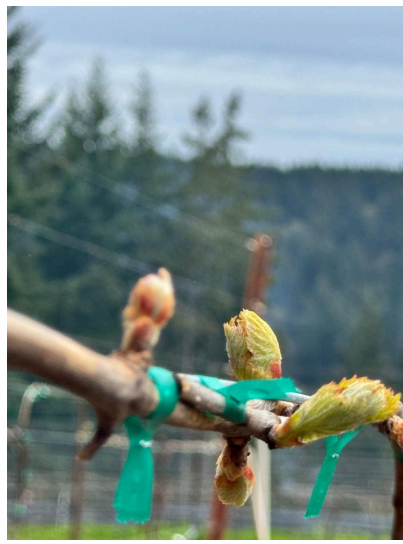

2025 was our first harvest from Marr Estates Vineyard that was handplanted by 3 generations of our family in 2021. This vineyard holds a special place in our hearts with blood sweat and tears to make it what it is today. We wanted to make our first vintage extra special. What better way than to honor our daughter Makaela who will be graduating high school this year. She named our estate bubbly -Aurielle.

Aurielle, meaning the rising of the “golden” sun, is a tribute to Makaela as she moves up and onward in life. Each bottle honors her journey and the moments that rise above. Crafted from our Pinot Noir and Chardonnay, this wine captures the golden beauty of our vineyard’s elevation and the celebration of light, legacy, and land.

COMING SOON!

Springtime in the Vineyard

It is Springtime in the vineyard. We officially have bud break. This is an excited time to watch the vines wake up. We look forward to Harvest 2026.
