# MARR CELLARS

CRAFTED BY NATURE, PERFECTED BY HAND.

We want to thank everyone that came by the Robin Hood Festival last weekend. It was so wonderful having so many friends come say hi and enjoy our wine. This is what it is all about! From day one we had talked about starting a business where we can share our wine with friends and family, create memories and enjoy great conversation! Thank you all for your support!

## Exciting News!

We will be releasing 2 new wines Labor Day weekend. We'll have a GSM (Grenache, Syrah and Mourvèdre)

We also will be releasing our Grenache Noir! We are excited to share our new releases with you this fall!

COME VISIT US AT ONE OF OUR EVENTS IN  
AUGUST!
