HARVEST 2025

Harvest 2025 started earlier this year than in the past. We harvested our Grenache Rose on September 1st. Shortly afterwards came our Grenache Blanc and Viognier. The most excited harvest for the Marr Estates family came on September 8th. We harvested our private vineyard for our first sparkling pinot/chardonnay. Our family hand planted these grapes in 2021. We are so excited to see our hard work come full circle.
