Aurielle

Introducing Marr Estates Bubbly

2025 was our first harvest from Marr Estates Vineyard. We handplanted our Vineyard on Chehalem Mountain in 2021. Our Vineyard was planted by 3 generations of the Marr Family. This vineyard holds a special place in our hearts with blood sweat and tears to make it what it is today.

Aurielle means the rising of the "golden" sun, is a tribute to our daughter Makaela as she moves up and onward in life. Each bottle honors her journey and the moments that rise above. Crafted from our Pinot Noir and Chardonnay, this wine captures the golden beauty of our vineyard's elevation and the celebration of light, legacy, and land.
