

FROSTFLOW 16OZ STAINLESS STEEL INSULATED COFFEE CUP USER GUIDE

INTRODUCTION:

Thank you for choosing the FrostFlow Stainless Steel Insulated Coffee Cup. This durable and eco-friendly cup is designed to keep your drinks at the perfect temperature while you're on the go. This guide will help you maximize the benefits of your new coffee cup.

PRODUCT FEATURES:

- **Material:** Made from 100% 18/8 stainless steel, BPA-free for safe drinking.
- **Sustainable:** The recycled stainless steel icon inside the cup signifies that it's crafted from sustainable materials.
- **Insulation:** Double-wall vacuum insulation keeps your drinks hot or cold for longer periods.
- **Finishes:** Available in powder coat and painting coating. The cup is available in 5 exclusive colors:
 1. Olive Green
 2. Light Aqua Blue
 3. Light Grey
 4. Dark Navy Blue
 5. Hot Pink
- **Lid:** Equipped with a Tritan TX1001 lid, made from Polypropylene + TPE overmolding for a secure, comfortable grip.

USAGE INSTRUCTIONS:

1. **Before First Use:**
Wash the coffee cup and lid with warm, soapy water and rinse thoroughly.
2. **Filling the Cup:**
Open the lid and pour your favorite hot or cold beverage into the cup. Avoid overfilling to prevent spills.
3. **Securing the Lid:**
Ensure the Tritan TX1001 lid is properly sealed to prevent leaks.
4. **Using the Cup:**
Enjoy your beverage while on the go. The cup is designed for both hot and cold drinks, keeping your coffee warm or your water cold for hours.

CARE AND MAINTENANCE:

- **Cleaning:**

The coffee cup is dishwasher safe, but hand washing is recommended for longevity.

- **Deep Cleaning:**

For stubborn stains, use a mix of warm water and baking soda or a specialized stainless steel cleaner.

- **Storage:**

Store the cup with the lid off to allow it to dry completely.

SAFETY INFORMATION:

- Do not microwave the cup or place it in the oven.
- Handle hot beverages with care to avoid burns.
- Inspect the lid and cup regularly for signs of wear or damage. Replace if needed.

WARRANTY AND SUPPORT:

- **Customer Support:**

For any questions or assistance, contact us at info@frostflowhydration.com or call 720-216-2610.

- **Warranty:**

This product comes with a limited warranty. For returns or replacements, follow the instructions included with your purchase.
