- 1 Log in to your account at DeltaDentalNJ.com/MySmile
- 2 Your Delta Dental ID card will appear on your dashboard. You can download, view or save it to your computer or mobile device.
- 3 From your MySmile[®] dashboard, you can select DeltaVision in the drop-down menu at the top of your screen to access your DeltaVision Member ID number.
- 4 You and your covered family members do not need an ID card to utilize your vision benefits. When obtaining vision services, you will need to let your service provider know the subscriber's name, date of birth, and that you are a VSP[®] member. The service provider can then verify your vision benefits directly with VSP.
