Terms and Conditions

1. A genealogist does not need your scientific DNA we trace the records back. Your DNA is your sacred data and we will never ask you for it.
2. We do not sell or share your information with ANY third party. EVER.
3. Our goal is always to tie families back to aboriginal origin on one familial line in the instance we are unable this does not mean you are not it simply means the findings were inconclusive.
4. We can not guarantee results. We try our best and we have never had a family we could not locate information on but this is all a possibility. We research legal records and based on errors in documentation and improper information provided or received we offer no guarantee only due diligence in coming as close as possible to accuracy.
5. We want to share your story. You hereby allow us with notice to post and celebrate our findings on social media and share across our network.
6. Due to the nature of our service we are entering in agreement for the payment for our time and resources. Currently at this time, we offer no refunds for such services as we allocate research for at the time of payment.
7. Where in as we agree to consult, help and navigate current projects already in place we have no liability of work we did not perform.
8. An additional fee of \$100 will be added if you would like to include every source in which records were located if they are not readily provided.
9. You agree if you are provided consultation that all information will become proprietary and confidential and will not be shared publicly as this remains the intellectual property of Our Bequest, LLC and in specific instances PauseNetwork.
10. The electronic file will be provided on an estimated time frame as expressed above separate from any current expressed and unforeseen wait list.
11. You further agree, that all knowledge provided will be genuine, truthful and forthcoming on your legal name and all names provided. In the instance you do provide us information that is proves to be inaccurate there will be a \$50.00 incidental fee per every name that we research that is not correct to adjust for time spent.
12. In the instance of any dispute you are bound to confidentiality and to the terms and service. You agree to not post, publicly share (whether verbally, visually or written) the terms, nature and conditions of the services rendered as it impedes on business practices and all matters are to be handled privately without any public or outside knowledge.
13. Any other terms not identified in this agreement or may be omitted will be solely at the discretion to adopt and enact on the behalf of Our Bequest, LLC DBA ChangeOurNarrative.com
