

PAYMENT PLANS

If you accept a payment option and/or payment plan, please be advised of the following:

- We will follow our steps provided in Our Process and your initial search, and each step will be limited until payments are made.
- Failure to render each payment in 30 days will result in archival or family tree.
- We do not begin any Aboriginal Search until all payments are made in full and the Final Tree is deemed completed.
- We do not allow the aboriginal search to be purchased by itself if it is we will consider this a payment plan and apply it as Option 1 or the next payment Option in the Full Project.
- Payment Options are broken down and align with the store.
- Failure to read through does not constitute a refund as time is allocated to the research once the order is place.
