

Concealed carry in wedding halls

Carrying in a New York wedding hall runs into two or even three legal issues:

1. ALCOHOL

“(o) any establishment holding an active license for on-premise consumption...where alcohol is consumed”

2. SCHOOL

“(m) in or upon any building or grounds, owned or leased, of any educational institutions,...private schools”

3. BANQUET HALL

“(p)...banquet halls...”

New Jersey would seem to potentially not have any of these three issues:

(7) a school, college, university or other educational institution, and on any school bus;
[Far narrower language that doesn't include the “grounds” or even “building”, or “upon” it.](#)

(15) ~a bar or restaurant where alcohol is served, and any other site or facility where alcohol is sold for consumption on the premises;
[Seems to be limited to where alcohol “is sold” — unless it's a bar or restaurant](#)

(17) ~a privately or publicly owned and operated entertainment facility within this State, including but not limited to a theater, stadium, museum, arena, racetrack or other place where performances, concerts, exhibits, games or contests are held;
[Banquet halls aren't mentioned.](#)
