

## CONCEALED CARRY IN POLICE STATIONS

New Jersey explicitly prohibits:

“(1) a place owned, leased, or under the control of State, county or municipal government used for the purpose of government administration, including but not limited to police stations;”

New York State does NOT:

“(a) any place owned or under the control of federal, state or local government, for the purpose of government administration, including Courts;”

But it can be implied from (r):

“(r) any public sidewalk or other public area restricted from general public access for a limited time or special event that has been issued a permit for such time or event by a governmental entity, or subject to specific, heightened law enforcement protection, or has otherwise had such access restricted by a governmental entity, provided such location is identified as such by clear and conspicuous signage;

In summary: Do NOT carry in police stations in both NJ & NYS
