Colin Anderson

Sam Houston State University (Class of December 2025) majoring in Mass Communication-Broadcast Production with a minor in Photography. My experience spans from capturing powerful moments through photography to running cameras for studio, live sporting, and special events. I bring hands-on experience in audiovisual technology, including system installations and technical support. I am eager to begin my full-time career in a company where I can apply both my technical skills and creative eye.

Experience

May-August 2025

Audiovisual Technician Intern | CTI | Houston, TX

The internship program built fundamental skills and provided hands-on experience working alongside and learning from CTI's live events, system design, and technical integration professionals. Completed Avixa training in preparation for Certified Technology Specialist (CTS) Certification.

March 2023-May 2025

Production Student Assistant | Bearkat Sports Network | Huntsville, TX

Worked in all aspects of video production for the department's televised sports. Worked with the production staff producing games for **ESPN** and the **Bearkat Sports Network**. Duties included directing, graphics, replay operator, audio, and camera for both games and studio shows. Learned all aspects of sports broadcasting.

May-August 2024

Real Estate Photographer & Video Editor | McCurdy Media | Cypress, TX

Photographed real estate with Sony Alpha a7s III Mirrorless and captured drone video. Storyboarded and edited videos with Adobe Premiere Pro and CapCut. Used advanced techniques including Speed Ramp, music, LUT, warp stabilization.
